Furtheres the revelations of The Urantia Book, providing a beautiful vision of our coming return to the Multiverse • Offers angelic reassurance that "Armageddon has been canceled" and that the coming transition will be gentle and the future positive • Explains Lucifer's angelic rebellion, its impact on the past 200,000 years, and the transformation of consciousness on the horizon as the fallen angels return • Shares the author's spiritual wisdom gained through extensive travels and encounters with angels, ETs, and other enlightened beings As recorded in The Urantia Book, two hundred millennia ago 37 planets, including our own, were quarantined from the rest of the Multiverse to quell the spread of the Lucifer rebellion within the angelic hierarchy. Now, after eons of isolation, the fallen angels have been forgiven and Earth's connection with the Multiverse is being restored, initiating a massive transformation of consciousness as we reconnect with angelic guides, extraterrestrial beings, and our spiritual heritage as sacred vessels for God's presence. Providing an update to The Urantia Book through angelic transmissions he has received and remarkable spirits he has met, Timothy Wyllie investigates the underlying motives of the angelic rebellion and the impact it has had on our planet for the past 200,000 years. Offering a profoundly optimistic vision of the future and reassurance that the coming spiritual transition will be gentle, Timothy Wyllie describes his encounters with angels, ETs, and other enlightened beings around the world, including how he made contact with his own guardian angels, met the man who may have been Grand Master of the Priore de Zion, fell in love with a beautiful Cathar reincarnate in Provence, and officiated at the 1981 Conference in Spirit inside the Great Pyramid of Giza. He explores different planetary cosmologies, authentic extraterrestrial intelligence, entheogenic revelations, and the spiritual implications of the Holographic Paradigm, weaving together a coherent and provocative understanding of the current state of our planet within the larger context of a benevolent and caring Multiverse.

Reviews "This book is amazing and I have been reading it non-stop! Betsey's knowledge and intellect of UFOs/Aliens and the paranormal has quite simply floored me." Anthony Sanchez, Author of UFO Highway, Conference Organizer of SACUFOCON Angels, Aliens and Prophecy is astonishing! I can hardly put it down." Best-selling Author of The Tujunga Canyon Contacts and renowned Earth Mysteries Investigator Ann Druffel One of the better books I have read of late as it draws upon the author's wealth of knowledge and ability to tie all the elements together--aliens, religious visions, alien abductees, time travel, parallel universes and prophecy. This special book brings up many fascinating questions, but provides many tantalizing answers to the mysteries in our world that most books in this genre fail to do." Posted on Amazon Books Awesome reading! Thank You." Dori – Florida About Angels, Aliens and Prophecy Betsey Lewis, intuitive, earth mysteries investigator and host of Rainbow Visions Radio Show since 2009, explores the mysterious connection between angels and aliens since recorded history, and the startling prophecies given by these beings in her new book, Angels, Aliens and Prophecy. Is it possible ancient aliens and time travelers have changed time lines and events? Absolutely, says Lewis who investigated these enigmatic subjects for the past forty years. In 1983, Lewis uncovered surprising information about her UFO encounters from the hypnosis session conducted by renowned UFO investigator Ann Druffel, included in the book. A secret was given to Lewis as a child, but erased from her memory until recently. She reveals the secret, her startling predictions for 2012 and beyond, and the connection between angels and aliens.

For the past thirty years, the United States government has secretly trained a select corps of military personnel in the art of "remote viewing" -- the psychic ability to perceive the thoughts and experiences of others through the power of the human mind.... Now, for the first time, Lyn Buchanan -- a world-renowned expert on remote viewing and its potential -- tells the complete, candid story of his experiences. Assigned for nearly a decade to a clandestine U.S. Army intelligence group, Buchanan trained military personnel who utilized their inherent psychic abilities as a data-collection tool during the Iran hostage crisis, the Chernobyl disaster, and the Gulf War. In this incredible account, Buchanan tells how he was selected for his unique psychic abilities, and how he was transformed from an ordinary soldier into one of our nation's leading psychic spies. Working on top-secret government and military projects using "mental espionage" created permanent, life-altering changes within Buchanan. Now, after many years of analysis and interpretation, he reveals the techniques and mental exercises used to train remote viewers, and demonstrates that each of us carries a dormant psychic ability that we can explore and use ourselves. For anyone interested in a hard, scientific look at the reality of psychic covert operations in the world today, or anyone who has ever wondered if he or she could have the inherent skills to become a remote viewer, this fascinating chronicle of life as a psychic spy will reveal the answers.

A step-by-step tour through our spiritual home in the Pleiades • Recounts the author's spiritual trials to reach the highest levels of her soul's celestial mansion and her encounters with immortal wisdom teachers such as White Buffalo Woman, Taliesin, Mother Mary, and Grandmother Spider • Includes lessons to help jettison fear and jealousy

so we can continue our ascension to higher consciousness • Offers a prophetic glimpse into the future of life on Earth, how our planet is the key to conscious evolution, and humanity's divine role as Keepers of Earth Inviting each of us to discover our spiritual home in the higher realms, Mary Beben provides a visionary tour of the celestial mansion of her family in the Pleiades, a home she inhabited prior to this incarnation on Earth. She explains how transitioning into materiality causes each of us to forget our starry origins, yet it is still possible to remember our Pleiadian heritage and divine reasons for choosing to manifest on Earth. Beben details her initiatic journey as she rediscovered the beautiful rooms on each floor of her Pleiadian house and learned to ascend to higher consciousness while remaining lovingly rooted in the Earth. She recounts her trials to reach the higher levels of the building and her encounters with immortal wisdomkeepers such as White Buffalo Woman, Taliesin, Mother Mary, and Grandmother Spider. Embedded throughout her story are lessons to help each of us jettison psychological baggage like fear and jealousy so we can continue our ascension and fulfill our Pleiadian birthright. Beben explains how her journey offers a prophetic glimpse into the future of life on Earth as well as the key to opening the heart to the higher realms of existence. She shows how ascension will not mean departing Earth but will place our Earthen reality in perspective and help solve problems that seem insurmountable from this dimension. In rediscovering the celestial origins of our souls, we recognize not only the Earth as the key to conscious evolution but also our role as the Keepers of Earth, the planet celebrated throughout the universe on which each of us is fortunate to have chosen incarnation.

Noted astrologer and spiritual teacher Barbara Hand Clow channels the voice of Satya, a Pleiadian goddess. Satya describes the huge cosmic drama taking place simultaneously in nine dimensions, with Earth as the chosen theater. The Pleiadians are a group of enlightened beings who believe that the end of the Mayan Calendar will signal a critical leap in human evolution; the Pleiadians will be there to guide us for that leap. This shift is the coming Age of Light, and the entry of our solar system into the Photon Band and the Age of Aquarius.

At long last, here is the paperback edition of beloved columnist and author Susan L. Taylor's bestselling collection of spiritual writings on overcoming the challenges of everyday life. Revealing the spiritual lessons Susan has learned first-hand from grappling with the challenges and difficulties in her own life, *Lessons in Living* is a celebration of the journey of life that has already become a classic. Written in the anecdotal style that has made Susan's "In the Spirit" column the most popular feature of *Essence* magazine, *Lessons in Living* addresses the themes that have been her unique territory for over a decade: self empowerment, the exploration of love and self-worth, and issues of faith and commitment. Introduction by the Pleiadians We call ourselves Pleiadians. And by way of an introduction, let us say that we are journeyers through time and multiple dimensions. We are a curious group intent upon exploring the nooks and crannies of existence, traipsing over cosmic hill and dale in search of answers to the majestic mysteries of life. All of existence is a vast web of energy, and there are seemingly endless and dazzling directions, connections, events, and entertaining diversions to explore. However, at present we are most earnestly focused on a specific place and time - Earth from the year 1987 through 2012 and after... It appears that during this period this location safeguards the probability of a triumphant achievement where, for a short while, some of the majestic mysteries of life are realized and revealed. We are here to observe and participate in the greatness of this event. Our perspectives are multidimensional in range and scope, for we are a wondrous collective of conscious energies who are intentionally expanding our beliefs about the nature of existence throughout many points in time. The heavens are filled with life, and in our search for knowledge and greater understanding of who we are, our journey has led us to you. Earth is currently experiencing a tumultuous transformation of consciousness, the likes of which you have no recorded historical precedent for. Yet, within the corridors of human cellular memory, many images stir with a hint of strange familiarity. You are deeply immersed in a time of critical change; humanity is poised at the threshold of a new understanding of cosmic power. Naturally, many of us wonder what you will do with this knowledge. In other epochs of time, the nature of this power has been misunderstood and subsequently misused, inevitably leading the way to your self-destruction. Nevertheless, the immense cycles of living and seasons of learning continue to patiently offer the same lessons, for while life may appear to be destroyed, consciousness is ever enduring and only changed in form. Humanity is rapidly approaching the edge of the great cosmic cliffs of consciousness. What you do now, the choices you make, will determine a course of experience more complex and astounding than you can currently imagine. The dawning of a new revolution in consciousness is at hand. You cannot escape the necessity to manage this power: now or ever. In light of our adventurous spirit, we are here to share our perspectives on your rapidly changing lives, and to offer our support, as well as a few timely suggestions on managing the massively accelerated energies that silently stir your planet. The Pleiadians

Compiled from more than four hundred hours of channeling by Barbara Marciniak, Bringers of the Dawn imparts to us the wisdom of the Pleiadians, a group of enlightened beings who have come to Earth to help us discover how to reach a new stage of evolution. Master storytellers and humorists, they advise us to become media free, to work in teams, and to eliminate the words "should" and "try" from our vocabularies. We learn how to go beyond fear, how the original human was a magnificent being with twelve strands of DNA and twelve chakra centers, and who our "gods" are. Startling, intense, intelligent, and controversial, these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our collective conscious--and unconscious. By remembering that we are Family of Light, that we share an ancient ancestry with the universe around us, we become "bringers of the dawn," consciously creating a new reality, a new Earth.

This volume deals with the transformation of unchurched religious creativity in the late modern West. It analyzes the ways in which the advance of science, globalization and individualism have fundamentally reshaped esoteric religious traditions, from theosophy to the New Age. Whether you call them gods, angels, ETs, or aliens, sufficient proof now exists that beings more advanced than humans have influenced our history. Evidence suggests that these outsiders shaped our religions, genes, technology, and cultures. In fact, they may have provided the impetus for modern civilization. Paul Von Ward investigates why modern science and religion refuse to address the possibility that humans interact with Advanced Beings (ABs). He reviews sacred texts, myths and legends--from the Old Testament, Hebrew texts, and the Vedas, to the Greek myths, Sumerian tablets, and other historical sources to make the link between religions, their gods, and alien intervention. He shows how this history of AB intervention has been suppressed and challenges readers to reexamine the origins of notions like "divine revelation" to find common ground among the world's cultures and religions. Previously published as God, Genes, and Consciousness.

Find out the amazingly bizarre "final secret" of the alien invasion, when you read The Ultimate Alien Agenda by James L. Walden, Ed.D. If you read newspapers or watch

television, it is hard to avoid the fact that people all over the world are reporting experiences with aliens involving abduction and experimentation. What they don't reveal is the reason the aliens have for such testing—until now. In *The Ultimate Alien Agenda*, you'll meet Jim Walden. One night, this teacher, counselor, and public servant was startled by a red-eyed alien creature at the foot of his bed. He was abducted and subjected to humiliating and painful scientific procedures in a mysterious underground laboratory. Years passed. Frightened and on the brink of suicide, Walden sought the help of a renowned alien abduction researcher. The first thing they needed to do was help Walden fully remember his experience. Using hypnotic regression, they discovered exactly what really happened. These sometimes surprising, sometimes terrifying secrets of the aliens are finally revealed in *The Ultimate Alien Agenda*. ·Why are humans being abducted? ·What goes on in mysterious, underground, alien labs? ·What are the aliens doing to humans? ·Who really are the aliens? ·Where do the aliens come from? ·What can we do about what is going on? Under hypnotic regression, Walden learned that he was an alien-human "hybrid." In *The Ultimate Alien Agenda*, he shares his experiences, discoveries, and his astounding conclusion: aliens may not be gruesome creatures bent on destroying the human race. Rather, they may be our own ancestors. Once they were revered by ancient human civilizations as reptilian gods. Now they live in an alternate dimension here on Earth, working desperately to preserve the planet for us all. Is this real? You read the facts. You judge the information. You make up your own mind. This is a book that must be read for you to understand what is happening to people around you . . . and maybe even to you. Get *The Ultimate Alien Agenda* today.

With compassion and compelling insight, the Pleiadians, those system-busting time-travelers from the future, take us on a journey through the uncharted lands of *The Book of Earth*, which comprises all human experience. While "our world goes belly-up in these most absurd of times," they offer us "tools for survival." During the crucial period between 1987 and 2012--a nanosecond in the annals of existence where secrets and solutions are stored--we have the unique opportunity to move from the deepest of density to the highest of frequencies--where we shift from linear to multi-dimensional living. To make this transition, we must face not only the limitations of our 3-D world with its electronic manipulation and mind control, we must embrace our own wounds, and those of our ancestors and our leaders. To heal ourselves, to raise our frequency from one of despair and fear to one of great inspiration and love, the Pleiadians urge us to rethink and reevaluate our lives: "You shall change, you will change, you must change, because this is the season of change."

In *The Classics and Children's Literature between West and East* a team of contributors from different continents offers a survey of the reception of Classical Antiquity in children's and young adults' literature by applying regional perspectives.

Bringers of the Dawn Teachings from the Pleiadians Simon and Schuster

Seth is the acclaimed non-physical teacher whose collected works are the most dynamic, brilliant and undistorted map of inner reality and human potential available today. His articulation of the furthest reaches of human potential, the eternal validity of the soul, and the concept that we create our own reality according to our beliefs, has been presented in books that have sold over 8 million copies and been translated into over a dozen languages. Seth's empowering voice clearly stands out as one of the major forces which led to the current New Age philosophical movement. This book chronicles Seth's first contact with author and medium Jane Roberts. It is a mixture of great Seth excerpts, selected by topic, and further explained by Jane. Topics covered include: afterdeath & between lives, how to get rid of illness, reincarnation, why people are born into different circumstances, God, All That Is, Dreams, exercises to develop the inner senses, and much more.

What is evil? Where did it come from. This is a fundamental negative aspect of the Human condition that has engaged theologians, mystics and philosophers for centuries. And more recently, psychologists. The whole evolutionary process of life entails the use of free will, in an existential sense, making mistakes, correcting such, learning, and then moving on. But evil is like taking hold of a hiking pilgrim who is just about to climb a steep hill, and filling their rucksack with rocks. Many different theories have been put forward as to where evil has come from (the Devil, the Fall, Man disobeying God, brain malfunction) but there is no universal agreement on such. The lack of agreement means that there is no universal concentration of effort to power Mankind forward onto, what should be, a faster evolutionary progression. The book explores every conceivable source of information that is known to us, with a much wider scope than most books on the subject have done in the past. All the known World religions, present and past (including so-called mythologies). Many Native spiritual belief systems. In total over sixty. The book also explores the teachings of various Western Mystical and Esoteric systems. Somewhat controversially, it then goes on to explore the possibility of extra-terrestrial visitors to our Planet interfering with Human evolution for their own selfish ends. An examination of the development of Western Psychology over nearly three centuries has provided insights into human behaviour and the physiological workings of the brain. Conventional Society post 19th. Century has tended to develop its own set of norms as to what is evil, which sometimes feed back into a government's legislative program in respect of criminal law. The book looks at corporate evil perpetrated by governments, banks, financial institutions, the Media, religious administrative bodies, and multi-national corporations, as these are just as capable of acts of evil as any individual, although often on a vastly greater scale. Lastly the book

explores the issues of morality, acts with unintended consequences, the issue of intent, and personal responsibility. Curiously, instead of the last chapter being the conclusion of all the preceding chapters, it traces out the whole history of the Cosmos from the first point of creation (spiritual "e;Big Bang"e;) right through to modern Human society on Earth. Its purpose was to examine if something untoward happened in the process of Cosmic Creation that has set up an imbalance in the functioning of the Universe, the Galaxy, the Solar System, our Planet, that has thrown Human evolution out of kilter.

Her most controversial book is one you will never forget. An outspoken thinker, a celebrated actress, a truly independent woman, Shirley MacLaine goes beyond her previous two bestsellers to take us on an intimate yet powerful journey into her personal life and inner self. From Stockholm to Hawaii to the mountain vastness of Peru, from disbelief to radiant affirmation, she at last discovers the roots of her very existence. . . and the infinite possibilities of life. Shirley MacLaine opens her heart to explore the meaning of a great and enduring passion with her lover Gerry; the mystery of her soul's connection with her best friend David; the tantalizing secrets behind a great actor's inspiration with the late Peter Sellers. And through it all, Shirley MacLaine's courage and candor new doors, new insights, new revelations-and a luminous new world she invites us all to share.

Through Amora Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. The channeled Guides of I Am the Word provide a concise and immensely powerful program in self-awareness that can ease negative complexes and align your existence with its highest purpose. Humanity has lost itself. Both as individuals and as a world culture, we have forgotten our true nature. In I Am the Word, writer and medium Paul Selig has recorded an extraordinary program for self- realization, as dispensed through beings of higher intelligence, sometimes called Guides or Ascended Masters. These figures seek, as they have in the past, to assist men and women in discovering the higher, purposeful nature-or "Christed Self"-that lies dormant within us all. In a series of enticing, irresistibly practical dialogues, the Guides of I Am the Word identify the emotional "boulders" that displace our authentic selves and consume our potential. The Guides provide to-the-point psychological and existential insights, along with self-developing exercises and affirmations, which begin to strip away residues of fear, self-doubt, and self-suffocating habits.

In this study of channeling, earlier called spirit communication or mediumship, Klimo, who teaches at Rosebridge Graduate School in the San Francisco Bay Area, writes with clarity about "the communication of information to or through a physically embodied human being from a source...on some other level or dimension of reality other than the physical as we know it." He profiles recent channels and their sources, goes back to preliterate societies and the advent of monotheism and identifies as channels such figures as Moses, Solomon, Muhammad, Merlin, Nostradamus, Swedenborg and Edgar Cayce. He discusses the sorts of people who are channels, kinds of information channeled, sources of information channeled and varieties of channeling like clairvoyance and automatic writing. According to Klimo, few people tap into their abilities to perform channeling and for those who think they can, he serves as guide.

This book, which was channeled via messengers from the Pleiades, describes various aspects of the new world that we entered during the cosmic shift of 2012. The book provides clarity and focus in a world that at the best of times seems confusing. The book is even more enlightening in 2021, after the entire world has been turned on its head. A selection of loving, timeless and insightful channeled messages through Jasmuheen to inspire and support all through these changing times. In this book Jasmuheen shares of her personal relationship with these ones. As Saint Germain once shared with her: The Master discerns which experience, he or she will have while dwelling in physical form in God's kingdom. The Master, through all realms of expression, creates around them in every now moment that which serves them fully in the awakened state in each now moment ... From Mother Mary: Spirit and reason go hand in hand and reason will deliver you to the embrace of spirit, for reason was birthed in spirit. Reason is like the sheep that come back home to the shepherd. Times of contemplation will allow you to make peace with all aspects of your Being; to recognize your humanness and love all parts of you without judgment. Remember that love is the only real power of lasting transformation.
