From New York Times bestselling *Mind MGMT* creator Matt Kindt and Matt Lesniewski (*The Freak*) comes a brand-new, mind-altering journey through Russian folk tales, trained assassins, and government conspiracies. After losing her family in a violent home invasion, a woman uses folk tales to cope. In a blood-soaked journey toward revenge, she tracks down the man responsible for her family's deaths, only to discover a startling government plot—to weaponize folk tales and use them to raise children into super assassins.

'We must get to the bottom of this dark and queer business, no matter what the cost!' Something ghastly is afoot in Victorian Yorkshire. Something that kills. Bodies are washing up in the canal, their skin a waxy, glowing red... But just what is this crimson horror? Madam Vastra, Jenny and Strax are despatched to investigate the mystery. Strangely reluctant to assist their enquiries is Mrs Winifred Gillyflower, matriarch of 'Sweetville', a seemingly utopian workers' community. Why do all roads lead to the team's old friends Clara and the Doctor? Who is Mrs Gillyflower's mysterious silent partner Mr Sweet? And will the motley gang be in time to defeat the mysterious power that threatens all the world with its poison?

How do you move on when the world won't let you? 12:46: Claire Bingleystands alone at a bus stop 12:47: Ted Conkaffey parks his car beside her 12:52: The girl is missing . . . Six minutes in the wrong place at the wrong time—that's all it took to ruin Sydney detective Ted Conkaffey's life. Accused but not convicted of a brutal abduction, Ted is now a free man—and public enemy number one. Maintaining his innocence, he flees north to keep a low profile amidst the steamy, croc-infested wetlands of Crimson Lake. There, Ted's lawyer introduces him to eccentric private investigator Amanda Pharrell, herself a convicted murderer. Not entirely convinced Amanda is a cold-blooded killer, Ted agrees to help with her investigation, a case full of deception and obsession, while secretly digging into her troubled past. The residents of Crimson Lake are watching the pair's every move . . . and the town offers no place to hide. "Complex, human characters, and a dark, meaty story, and fine writing, and a great sense of place – this is one of the best crime thrillers of the year. Sign me up as a big-time Fox fan!" —Lee Child *Crimson Lake* by Sydney-based, Ned Kelly award-winning author Candice Fox is a thrilling contemporary crime novel set in Queensland, Australia, perfect for readers of authors like James Patterson, Harlan Coben, Lisa Gardner, and Tana French. The robotic legions of the First Imperium burst into human space, destroying everything in their path. Directed by the maniacal Regent, the enemy pressed forward with one goal: the destruction of mankind. The Superpowers of Earth, enemies for over a century, have banded together to face the threat from outside and their combined forces have fought delaying actions to buy time. But now, the Rim has fallen, and the heart of human space lies before the invaders. Erik Cain grimly leads his Marines and their

new allies to Sandoval, to fight and hold that world against anything the enemy throws at it . But Cain plans more than just a defense: he intends to annihilate the enemy forces. And he'll sacrifice anything to win the ultimate victory. Even himself. Break the shackles of the mind. Leo is a boy grieving his twin. Nea is a girl living as a boy to escape her past. Two slaves, carrying the scars of abuse. They form a connection, only to be split apart when their ship arrives in a mysterious and fragmented land, cut off from the rest of the world. Leo becomes apprentice to a vagabond swordsman and together the two set out to find a stolen weapon locked away in a catacomb city. But what is his new teacher hiding? Tormented by a crippling injury and an anxious heart, Leo must find the strength within himself to keep going despite all that he has lost. Meanwhile, Nea is conscripted by the Captain of the Royal Guard, who ropes her into the search for a group of men hunting a boy matching Leo's description. But to Nea's dismay, the Captain is a woman and Nea must fight past her hateful and damaged mind if she ever hopes to earn her freedom. When a former child soldier threatens to spark a revolution, Leo and Nea will choose sides. Will they fight to save this cruel land, or punish it? To find the answer, they must confront the horror of the past and fight for the greatest freedom of all, freedom from the fear that rules their hearts. The Crimson Spark is an emotional and captivating fantasy adventure. A story about innocence lost and righteousness found. The Black Cauldron meets Berserk in a story about how even the most broken souls can be whole together.

With the elfin city of Elqaneve decimated, her father missing, and Shadow Wing obtaining another spirit seal, Menolly D'Artigo works to thwart daemon Lowestar Radcliff's supernatural corporate power grab.

Death didn't scare Lilith Whitlock. At the ripe age of twenty, she preferred to take whatever life threw at her, and if death was a curveball, she'd catch it. What she didn't expect was for impending death to be stalled by being transformed into a vampire. With sharp, pointy teeth and a hunger for blood, Lilith adapted to her new life. Befriending three hot vampires with a mission to maintain balance had something to do with that, but the paranormal world wasn't perfect. Especially when she learned creating new vampires was illegal. Now, she had to prove herself as indispensable to the Order of the Void, or she'd be obliterated from existence. No one mentioned that being a new-blood came with a looming threat and imminent danger. Crimson Tears is book one of three in the Crimson Demon Trilogy. It is a paranormal why-choose romance centered around three vampires and one demon. It contains mature subject matter that might not be suitable for all readers.

Book 5 of the Refugees series.

A Latino chronicles his journey from working-class California to Harvard, where he was dogged by whispers of affirmative action, describing his experiences in a world of white privilege, his teachers, classmates, and the family he left behind. 25,000 first printing. \$25,000 ad/promo. Fifty-three years after it vanished, Earth's only Super-Devastator warship, the ESS Crimson sends out a distress signal... Humanity is fighting against an implacable foe. The Ghosts – a ruthless alien race - seem hell-bent on wiping out mankind. They have a vast warfleet and their technology is advancing at a terrible rate. Captain John Nathan Duggan and his crew are given a mission – find the missing ESS Crimson and bring it home. Little does Duggan realise, this is no ordinary mission. As he struggles against enemies both within and without, he

desperately tries to unlock the mystery surrounding the Crimson's disappearance and the unknown weapons it carries. He soon discovers the missing warship might be the only hope for salvation that mankind has left. When everything is veiled in secrecy nothing is easy, as Duggan is about to find out. Features interviews with Bill Bruford, Peter Giles, Gordon Haskell, Judy Dyble and more . . . In 1969 five young Englishmen calling themselves King Crimson altered the course of rock music, and despite a revolving-door lineup, the band has continued to innovate and inspire for more than fifty years. Fifty Shades of Crimson tells the story of this legendary band and of the unique English guitarist Robert Fripp it revolves around. With a deep passion for the music, author Pete Tomsett celebrates the achievements of Fripp and the array of incredible talent that has passed through Crimson, while not shying away from the many behind-the-scenes difficulties. Getting signed after supporting The Rolling Stones at Hyde Park, Crimson shot to fame with their debut album, In the Court of the Crimson King, becoming one of the most influential bands of that era and triggering the rise of prog rock. While going through countless personnel, including Greg Lake, Bill Bruford

and John Wetton, rejecting Elton John and Bryan Ferry along the way, they have put out many highly acclaimed albums and to this day maintain a big international following. In their early years Fripp's band reached the same commercial heights as the likes of David Bowie and Pink Floyd. However, as an intellectual who despised the practices of the music business, Fripp preferred innovation over chasing big sales. In 1974 he withdrew from mainstream music, becoming involved with the Fourth Way philosophy, but was eventually tempted back and reformed Crimson to much acclaim in the eighties. As well as also having collaborations with Brian Eno, Andy Summers and others, Fripp has created new forms of instrumental music, run his own idiosyncratic guitar courses and set up an ethical record company. Both genius and 'a special sort of awkward', Fripp has never been afraid to take his music where no one has gone before, and Crimson have been a powerful influence on everyone from Genesis and Yes to Roxy Music and Radiohead, creating a legacy that will live on for decades more!

"First Drop of Crimson is a passionate and tantalizing tale, filled with dark sensuality and fast-paced action. The lead couple is irresistible—a gutsy heroine to cheer for and a smoldering hero to die for. An unforgettable story!" —Kresley Cole, New York Times bestselling author

They say London is the city that never sleeps. Man, you have no idea...A new job, a new life and a new home, Rose has left the pain of the past behind. But if she thinks she's going to have it easy she's in for a shock. There's Roman for starters, a complication with a capital C. With the racing pulses and the x-rated thoughts, she can barely keep it together. And then he decides to drop a bombshell. It's the domino effect alright, because hot on the heels of his revelation come a few unpleasant ones of her own. Rose discovers that there is a darker side to London, an ancient secret, a world that she belongs to and one that could get her killed. Question is, can she keep it together long enough to kick danger's arse?

The combined forces of humanity have beaten back the First Imperium invasion. For the first time, the enemy has been defeated in battle. The cost was high in blood and suffering, but the Line held. The heart of human-occupied space has been saved from annihilation. For now. There is little time for the victorious warriors to savor their triumph or mourn their dead. The First Imperium has been driven back, but it has not been defeated. No one expects the fruits of victory to be more than a brief respite. Augustus Garret, Erik Cain, and the rest of the human high command have a decision to make. Do they stand on the defensive, waiting for the massive second invasion they all know will come? Or do they consider another option, one that compels them to face overwhelming odds, and launch a strike that could end the war in one campaign? The attack ship Hornet returned home after a miraculous run through enemy space, and her crew brought with them priceless intelligence...the location of a world of the First Imperium. In the capitals of Earth, the ruling classes call for caution, for the armed forces to stand on the defensive. But on the frontier, Garret and his compatriots are planning something different, and they do not intend to be deterred. They are going to take

the war to the enemy. They are going to march into hell's heart.

Erik Cain joined the marines to get off death row. The deal was simple; enlist to fight in space and he would be pardoned for all his crimes. In the 23rd Century, assault troops go to war wearing AI-assisted, nuclear-powered armor, but it is still men and blood that win battles. From one brutal campaign to the next, Erik and his comrades fight an increasingly desperate war over the resource rich colony worlds that have become vital to the economies of Earth's exhausted and despotic Superpowers. As Erik rises through the ranks he finally finds a home, first with the marines who fight at his side and later among the colonists - men and women who have dared to leave everything behind to build a new society on the frontier, one where the freedoms and rights lost long ago on Earth are preserved. Amidst the blood and death and sacrifice, Erik begins to wonder. Is he fighting the right war? Who is the real enemy? *Crimson Worlds II: The Cost of Victory* - Available Now! *Tombstone: A Crimson Worlds Prequel* - Available Now! *Crimson Worlds III: A Little Rebellion* - December 2012

Angel Adrian Mitchell tries to convince Lindsay Gibson that she is actually Shadoc, the woman he loves and keeps losing, in a new body, while dealing with a pack of rogue vampires and a lycan revolt.

The Third Frontier War is raging, and all across human-occupied space worlds are burning. Massive battlefleets struggle for dominance and kilometer-long war ships exchange thermonuclear barrages. Battered in the early years of the war, the Western Alliance is resurgent. The brilliant Admiral Augustus Garret leads the Alliance fleet from victory to victory, taking the war to the very heart of the enemy empires. And on the ground, Colonel Erik Cain, hero of the Marine Corps, leads his crack troops again into combat, seeking the final battle. In the background, the secretive intelligence agencies of the despotic Superpowers plot and

scheme, using their own soldiers as pawns in the great game for control of space. But the final battle will be fought in the reddish sands of a backwater world, and the prize will be the staggering secret that has lain hidden in a remote cave for untold centuries. All the Powers struggle for the ultimate victory, but at what cost? *The Cost of Victory* is the second book in the Crimson Worlds series and the sequel to *Marines*. *The Crimson Worlds Series: Marines (Crimson Worlds I) - Available Now! Terrence Compton is one of Earth's greatest admirals, a warrior almost without equal. Alongside his oldest friend and brilliant colleague, Augustus Garret, he and his forces have saved Earth from invasion by the genocidal robotic legions of the ancient First Imperium's insane computer Regent. There is just one problem. The First Imperium was held back not by military victory, but by the disruption of the sole warp gate connecting the two domains...and Compton and 300 of his ships are trapped on the wrong side, surrounded by the Regent's vast fleets and cut off from Earth. Pursued by their deadly enemy, Compton and his fleet must flee into the vast and unknown darkness of unexplored space, in search of safety, fuel, supplies...and ultimately a new home. The great admiral knows the one thing his people cannot do is seek a way back, a trail the enemy could follow to Earth. He is determined to prevent that from happening, even if the cost is dissension and mutiny. Their journey will take Compton and his people deep into the heart of the First Imperium, to the silent, windswept worlds where the ancient race that built the Regent once dwelled...and uncover the lost secrets of that great civilization's mysterious fall 500,000 years ago

NEW YORK TIMES BESTSELLER • A princess in exile, a shapeshifting dragon, six enchanted cranes, and an unspeakable curse... Drawing from fairy tales and East Asian folklore, this original fantasy from the author of *Spin the Dawn* is perfect for fans of *Shadow and Bone*. "A dazzling fairytale full of breathtaking storytelling." --Stephanie Garber, New York Times bestselling author of *Caraval* Shiori'anma, the only princess of Kiata, has a secret. Forbidden magic runs through her veins. Normally she conceals it well, but on the morning of her betrothal ceremony, Shiori loses control. At first, her mistake seems like a stroke of luck, forestalling the wedding she never wanted. But it also catches the attention of Raikama, her stepmother. A sorceress in her own right, Raikama banishes the young princess, turning her brothers into cranes. She warns Shiori that she must speak of it to no one: for with every word that escapes her lips, one of her brothers will die. Penniless, voiceless, and alone, Shiori searches for her brothers, and uncovers a dark conspiracy to seize the throne. Only Shiori can set the kingdom to rights, but to do so she must place her trust in a paper bird, a mercurial dragon, and the very boy she fought so hard not to marry. And she must embrace the magic she's been taught all her life to forswear--no matter what the cost. Weaving together elements of *The Wild Swans*, *Cinderella*, the legend of Chang E, and the Tale of the Bamboo Cutter, Elizabeth Lim has crafted a fantasy like no other, and one that will stay with readers long after they've turned the last page. "A stunning remake of a fairytale. *Six Crimson Cranes* is the perfect blend of whimsy and ferociousness, with twists and turns that will tug at your heartstrings." —Chloe Gong, New York Times bestselling author of *These Violent Delights* "Fast-paced excitement is balanced with a satisfyingly intricate plot that weaves in elements from Western fairy tales and East Asian folklore." —SLJ, starred review "A richly imagined landscape . . . vibrant, fast-paced." —Publishers Weekly, starred review

In her twenty-fifth adventure, vampire hunter and necromancer Anita Blake learns that evil is in the eye of the beholder... Anita has never

seen Damian, her vampire servant, in such a state. The rising sun doesn't usher in the peaceful death that he desperately needs. Instead, he's being bombarded with violent nightmares and blood sweats. And now, with Damian at his most vulnerable, Anita needs him the most. The vampire who created him, who subjected him to centuries of torture, might be losing control, allowing rogue vampires to run wild and break one of their kind's few strict taboos. Some say love is a great motivator, but hatred gets the job done, too. And when Anita joins forces with her friend Edward to stop the carnage, Damian will be at their side, even if it means traveling back to the land where all his nightmares spring from...a place that couldn't be less welcoming to a vampire, an assassin, and a necromancer: Ireland.

Book 4 of the bestselling Crimson Worlds series... The Alliance and its colonies have called a truce and signed the Confederation Agreement, providing the frontier worlds with guarantees of self-government. No one expects the deal to last, and both sides are preparing for the next showdown. But from the depths of space another challenge is coming, one that will endanger the very survival of mankind and force not just the Alliance and its colonies, but all of the Superpowers, to join forces or face annihilation. The dusty ruins the Alliance discovered on Epsilon Eridani IV were built by an ancient race, eons dead. But their guardians remain, and the disturbance of the long silent cave triggered an automated alert, one which has been heard. Erik Cain and his Marines grimly take to the field once again, for what may be their final battle, against the robotic legions of the First Imperium. But facing a ruthless and technologically superior enemy may be easier than learning to fight alongside old enemies.

Bringing Sherlock Holmes from the Victorian Era into the dark days of World War II, this imaginative new thriller confronts the world's greatest detective with a killer emulating the murders of Jack the Ripper. London, 1942. A killer going by the name of "Crimson Jack" is stalking the wartime streets of London, murdering women on the exact dates of the infamous Jack the Ripper killings of 1888. Has the Ripper somehow returned from the grave? Is the self-styled Crimson Jack a descendant of the original Jack—or merely a madman obsessed with those notorious killings? In desperation Scotland Yard turn to Sherlock Holmes, the world's greatest detective. Surely he is the one man who can sift fact from legend to track down Crimson Jack before he completes his tally of death. As Holmes and the faithful Watson tread the blacked out streets of London, death waits just around the corner. Inspired by the classic film series from Universal Pictures starring Basil Rathbone and Nigel Bruce, which took Sherlock Holmes to the 1940s, this is a brand-new adventure from a talented author who brilliantly evokes one of mystery fiction's most popular characters.

We set them free, now we have to take them down. The Crimson Pact Volume 3 features fifteen action packed and frightening short stories, including, "That Which We Fear" by New York Times bestselling author Larry Correia, and Steven Diamond, which features Diego Santos, a bad ass marine who knows the exact time of his death, and Jarvis "Lazarus" Tombs, a federal agent who investigates the paranormal, and has the strange habit of coming come back from the dead. "The Ronin's Mark" by Donald Darling is a story from an arch demon's point of view and provides a fascinating study of what happens when a demon becomes too close to the world he is trying to destroy. "Whispers in the Code" by Patrick M. Tracy uncovers the sinister truth about the secrets found inside the internet, and those trying to stop the end of days. "Stumble and Fall" by Isaac Bell tells a tale of his famous character, John Olshoe, who recalls a time when he failed to be the hero. "Singe, Smolder, Torch, Whither" by Eric M. Bosarge is a creepy tale Stephen King could have written if he decided to write a story with a more literary style. "The Jar of Needs" by Patrick M. Tracy is about a depraved customer who will do anything for the sullen barrista he's fallen in lust with. "Monsters on the Trail" by Patrick S. Tomlinson shows us what happens when investigators find out a demon may be involved with a political campaign. "David in Disguise" by Kelly Swails takes us to a 1960's Chicago protest march where a young woman, who wants to be a journalist, finds out she may have to join the family business after all . . . and hunt demons. "Fallout from My Former Life" by Valerie Dircks proves that a young woman can never escape her past, especially at her high school prom. "The Recruit" by Craig Nybo profiles the boxing champion, Micky Atlas, in what may be his last fight . . . on Earth. EA Younker gives us a steampunk apocalypse story, "Fight" where the rebels steal an airship and take the battle to the demon-possessed bots who have destroyed their world. "The Third Eye" by Chante McCoy

tells the tragic story of a failed Greek Orthodox priest in the early 1900's, who is unable to convince his countrymen that the demons are indeed coming. "A Contract Between Thieves" by Stephanie M. Loree is one of the most entertaining stories in the anthology and is set in a "Italian Renaissance steampunk meets traditional sword & sorcery world" and features a rogue named Feni, and her lover, Raf, and their travails after Feni accepts the absolutely wrong job-that feels so right. "Shen Llamo's Daughters," takes us on a trip to Tibet in a time when the old customs of the mountain people, typified by pragmatic Yumi, battle with the new religion of Buddhism, and demonic spirits roam a haunted valley in the Himalayas. "The Scarlet Cloak" by Karen Bovenmyer, which book-ends this collection and will not soon be forgotten, is about a young woman who takes revenge on her enemies by using an artifact of terrible power that may consume her in the end, or perhaps it will set her true self free.

As the Crimson Guard marches toward Quon Tali, the heart of the Malazan Empire, many citizens, and even her own generals and mages, wonder whether Empress Laseen is losing her grip on power.

The Age of Man has begun. The "undesirable" creatures of legend have been driven from their lands, magic has been forsaken, the old gods reduced to myth. Now humans will rule the kingdoms of the island continent of Pentania. But they are not alone. Alson's king has been assassinated, its capital besieged by a malevolent wizard. The chaos and terror now sweeping the land have come to the remote village of Diln -- sending young Jarom far from his home to seek aid against the nefarious usurper. But a mysterious council has decreed Jarom must find one of the mythical Swords of Asahiel -- the divine talismans the elven avatars used to forge the earth -- in order to save a quarrelsome, fledgling humanity. For a Demon Queen has awakened from the abyss -- and humankind is about to discover its powerlessness in the face of the ancient terrors of the world.

A band of inept mercenaries. A girl with an arrow in her head. This latest contract could get them killed... again. It's been

thirty years since Dellerin fell to the Dark One's rule. Magical Weavers have been hunted to extinction, and demonic attacks are frequent. With the kingdom's remaining armies fighting an unwinnable war, the survival of small towns rely on whatever mercenaries they can afford. The Crimson Hunters are the most affordable around. With few victories and a trail of failed plans in their wake, they are the only hope the village of Treystone have at fending off the demon hordes. But with rival mercenaries on their heels, a Grand Demon close behind, and a town hell bent on getting itself destroyed, The Crimson Hunters will need a miracle to save them... as long as she doesn't kill them first. The Crimson Hunters is the first book in The Crimson Collection, a new series set in Robert J Power's Dellerin Tales world. Dark, thrilling, and hilarious, The Crimson Hunters is an epic adventure perfect for fans of Joe Abercrombie, Nicolas Eames and Scott Lynch. Buy it and prepare to join the Crimson Hunters today. This book is a re-release of two novellas; The Crimson Hunters and The Crimson Hunted, now with added adventure, explosions, airships, and a never before available third act.

Brad Taylor meets THE STAND in internationally bestselling author John Gilstrap's post-apocalyptic new series featuring Victoria Emerson, a West Virginia congresswoman and single mother who becomes the last hope of a nation brought to the brink of destruction. The nightmare scenario has come to pass. America has fallen. In the aftermath, one woman becomes the last hope of a nation and its people in New York Times bestselling author John Gilstrap's electrifying new Victoria Emerson thriller series. West Virginia Congresswoman Victoria Emerson has always put the needs of her community before the power games of Washington, D.C. Then an Army officer appears on her doorstep, deploying the code words "Crimson Phoenix"--meaning this is not a drill. The United States is on the brink of nuclear disaster. The major will escort her to a secure bunker. She cannot bring her family. A single mother, Victoria refuses to abandon her teenage sons. Denied entry to the bunker, the family somehow survives the unthinkable. In the aftermath, the nation is in chaos. The grid is gone. Food is scarce. Civility gives way to desperate survival. Against this total collapse, Victoria creates a new home in a small Appalachian mountain town. The community she builds around her shines like a beacon in a dark wasteland. Now she must defend it with her life--to give hope to a new America
