You can achieve your business dream. Beat the odds as you learn from the best - including Henry Ford, Steve Jobs, and Bill Gates - and turn your idea into an amazing and profitable enterprise. The Business Book helps you over the hurdles facing every new business, such as finding a gap in the market, securing finance, employing people, and creating an eye-catching brand. It is a plain-speaking visual guide to 80 of the most important commerce theories including chaos theory, critical path analysis, market mapping, and the MABA matrix. Its graphics and flow diagrams demystify complicated concepts and explain the ideas of seminal business thinkers, such as Malcolm Gladwell's "tipping point" or Michael Porter's "five forces". It shows that you can succeed with stories of rags-to-riches entrepreneurs, including the founders of Hewlett-Packard, who began their global enterprise from their garage. Whether you are a student, a CEO, or a would-be entrepreneur, The Business Book will inspire you and put you on the inside track to making your goal a reality. Series Overview: Big Ideas Simply Explained series uses creative design and innovative graphics along with straightforward and engaging writing to make complex subjects easier to understand. With over 7 million copies worldwide sold to date, these award-winning books provide just the information needed for students, families, or anyone interested in concise, thought-provoking refreshers on a single subject.

This ebook also comes with a 2,000-word mini dictionary for quick reference during conversations. Essential for travelers, Eyewitness Travel Phrase Book Chinese ensures they will never be at a loss for words.

Essential India Travel Guide A Must Have Guide for the Westerners I was born in Bikaner, a small but lovely city in the middle of Rajasthan, India. We left India for the U.S. when I was 13, and didn't go back till I was 23 again. 10 years is not that long of a break for most immigrant families, but for me it was a huge shock in every sense, especially since I think I left at an early age and didn't go back until I was a grown man. The little boy inside me wanted to find everything the way I left them, but that obviously was not the case. I could not even recognize most of my closest relatives. We traveled to Mumbai (Bombay), Delhi, Kolkata and I wanted to see all of Rajasthan, which we did, then we came back the U.S. and I brought back a lot of great memories along with a promise to myself that I will go back one day and see all of India. Little did I know, just three years later, I got a job offer from an Indian multinational company that I could not refuse. As I was going through my final interview, I learned that my job would require me to travel extensively throughout India! Needless to say, I was excited, delighted and eager to leave for India. Long story short, I ended up working fifteen years for that company, but only eight of those years were spent in India. I will admit that those eight years were the most glorious times of my life, I was mesmerized by the culture, the food the music, religion and the endless colorful festivals that came around every so often. I always wanted to write about India, and now that I have something I can share, I decided to take the opportunity to write about a simple but useful travel guide that can help people from all walks of life, culture, and country. To keep this book, short and to the point, I decided not to get too much into the festivals, culture or food other than the most essential parts that I thought all travelers should know. In this guide, I covered all four corners of this great country, but not every city in every state, because that would be hard to do and the size of this book may go over 1000 pages. Instead, I covered cities and States with most popular and prominent tourist attractions. Even though I was born in India but since I didn't

actually grow up there, it was a steep learning curve for me at first, but at least I knew the language (a bit), and I looked like an Indian which was helpful in my case I am sure. So when I started writing this book, I thought, I can truly bring a unique perspective to this book, because I know the best of both worlds and know how and when to bring them together and when not to. I hope you will find this book valuable in more ways than one, as not only I discuss what to see in India, but how to get prepared, how to apply for a visa, what to expect, how to plan your trips from a financial point, what type of travel agencies you can trust, what modes of transportation are the best, important cultural aspects, what food choices are safe and so much more. Let me welcome you to the beautiful land of music, dance and colors we proudly call India; I know you will love visiting here. Namaste.

A bold, accessible, illustrated guide that delivers real scientific information on how the body works with a healthy side of fun facts and trivia. If you've ever searched the Internet for information on that odd rash on your arm, advice to help you get the best night's sleep, or tips for staying healthy during cold and flu season, you know there is skill to sorting fiction from scientific fact. How the Body Works uses clear, easy-to-understand graphics and illustrations to demystify all the complex processes that keep our bodies alive and thriving -- from the basic building blocks of the body, our cells -- to skin, muscles, and bones and the ways in which our many parts work together. Learn about the senses, how we read faces and body language, nutrition and immunity, the brain, sleep, memory, dreams, and much more. Each chapter takes you through a new body system and includes surprising facts like "there are no muscles in the fingers and toes" and "by the time you finish reading this sentence, 50 million of your cells will have died and been replaced." With How the Body Works, you'll understand the how and why as well as be wowed by the astonishing ways our bodies work.

The Rough Guide to India is the definitive travel guide to this captivating country. More a continent than a country, India is an overload for the senses. From the Himalayan peaks of Sikkim to the tropical backwaters of Kerala, the desert forts of Rajasthan to the mangroves of West Bengal, India's breathtaking diversity of landscapes is matched only by its range of cultures, cuisines, religions and languages. The Rough Guide to India gives you the lowdown on this beguiling country, whether you want to hang out in hyper-modern cities or explore thousand-year-old temples, track tigers through the forest or take part in age-old festivals, get a taste of the Raj or watch a cricket match. And easy-to-use maps, reliable transport advice, and expert reviews of the best hotels, restaurants, bars, clubs, and shops for all budgets ensure that you won't miss a thing. Make the most of your time with The Rough Guide to India.
