Ant Anstead's Building a Special brings the Haynes story full circle, coming 61 years after the original Building a 750 Special was written by John Haynes, Haynes Publishing's founder, when he was still a schoolboy. This book is a TV tie-in, following the 12-part TV series Ant Anstead Master Mechanic, aired on Motor Trend, part of the Discover Network in the US and UK, following Ant Anstead's build of his own-design 'special' car, taking inspiration from the Alfa 158 - the first World Championship-winning F1 car, which raced from the 1930s until the 1950s. The 12-part TV series followed Ant's build of the car, from the first design ideas, through the construction, culminating in the debut of the car during the 2019 US Grand Prix weekend in Austin, Texas. The book follows Ant's personal build of the car, from the selection of the donor MG TD for the chassis, and Alfa Romeo Spider for the engine and gearbox, through modifying the chassis, building the suspension, steering, brakes, bodywork and interior, and putting all the components together to produce a finished one-off 'special.' Content includes: Introduction The history of specials Planning Donor car Chassis, suspension, steering, rear axle Engine, fuel system, cooling system, ancillaries, exhaust Gearbox Bodywork Braking system Cockpit Wiring Preparation and painting Testing Setting up and Making road legal.

2011 International Automotive Media Gold Award Winner In the early 1960s, Tommy Ivo had the world in the palm of his hands. Still a young man, he was already a star of television and film with a promising Hollywood future ahead of him. Then his producers told him he had to quit drag racing. He quit the entertainment industry instead. This is the official story of Ivo's incredible life and racing career. Readers will follow "TV" Tommy as he becomes the most ambitious drag racer in the nation, building his own cars in the garage behind his Burbank home; becoming the first driver to pilot his dragsters to 170, 175, and 180 miles per hour and towing his cars to match races at small-town drag strips across the United States. Always the showman, Ivo pioneered promotional techniques that are today taken for granted. In this regard especially, his impact on the sport cannot be understated, and his legacy is detailed in this incredible bio of one of drag racing's most irrepressible characters.

Now the sheriff wants Thumps to trade in his photography gig for a temporary cop beat. And it won't be over, Thumps soon realizes, until everyone's dead—or famous. Hailed by critics in his first appearance, Cherokee ex-cop Thumps DreadfulWater is back in ruffled but razor-sharp form, doing his laconic, comic best to avoid trouble—and catch the bad guys. Bestselling writer Thomas King has penned a second entertaining DreadfulWater mystery, injected with the author's characteristic dry wit and biting social commentary.
