At sixteen, the Lord told Diane she would be married three times. He does not lie. Through the pain of infidelity, divorce, and abuse, God's promise that He will never leave or forsake us rang true. Even when, in despair, she longed for the Lord's arms to hold and comfort her, God answered in a way that was beyond measure. God's provision and presence becomes miraculously evident in her real-life stories of grace and love.

The first complete and accurate edition of the Diary of Andrew Fuller (1754-1815), transcribed from the surviving manuscript at Bristol, provides a fascinating glimpse into Fuller's ministry at Soham and Kettering. It was during this period (1780-1801) that he became the dominant voice of evangelical Calvinism among the Particular Baptists through his preaching, writing and work as founding secretary of the Baptist Missionary Society (1792-1815).

The object of this book is to present a general view of mental healing, dealing more especially with the historical side of the subject. The term "mental healing" is given the broadest possible use, and comprehends any cures which may be brought about the effect of the mind over the body, regardless of whether the power back of the cure is supposed to be deity, demons, other human beings, or the individual mind of the patient.

Whether in crisis or not, whether in denial or not, all men go through a midlife transition. The mythopoetic perspective is a way for men to start an inward journey of introspection to seek

personal transformation and healing. This may mean a new search for spirituality as opposed to organized religion. It may mean looking for a new meaning in life.

This collection of essays examines religion in the American South across three centuries--from the beginning of the eighteenth century to the civil rights movement of the 1960s. The first collection published on the subject in fifteen years, *Religion in the American South* builds upon a new generation of scholarship to push scholarly conversation about the field to a new level of sophistication by complicating "southern religion" geographically, chronologically, and thematically and by challenging the interpretive hegemony of the "Bible belt." Contributors demonstrate the importance of religion in the South not only to American religious history but also to the history of the nation as a whole. They show that religion touched every corner of society--from the nightclub to the lynching tree, from the church sanctuary to the kitchen hearth. These essays will stimulate discussions of a wide variety of subjects, including eighteenth-century religious history, conversion narratives, religion and violence, the cultural power of prayer, the importance of women in exploiting religious contexts in innovative ways, and the interracialism of southern religious history. Pineridge, the walled community where she lives with her father, his seven wives, and her twenty-eight siblings. This is the only world Alva has ever known, and she has never thought to challenge it. But everything changes when Alva is caught giving her long-time crush an innocent first kiss. Fear is the rejection of faith. Fear brings worry. Worry robs the body of rest. Worry has no place in the life of a Christian. Fear and worry are doubt manifested in our lives, doubt that does not exist where there is faith. In *Theres No Room for Doubt: The Just Shall Live by Faith*, author and ordained minister Hilda Marie Barton shows us the path to conquering fear and worrythe path to faith in Jesus Christ. Through His Word in the Bible, Jesus Christ gives us the roadmap to finding our way out of our problems, away from grief and misery and toward feeling whole and renewed. Each chapter of *Theres No Room for Doubt* focuses on a pivotal theme in the Bible and discusses relating passages to help readers understand these themes. Bartons insights are accessible and wise, and she does not hesitate to be truthful, even if that truth is painful. There are as many problems in the world as there are people to have them, but there is one solution for every problem: stand in faith. When we walk with God and feel His strength and love, there is truly no room for doubt. He has it all under control and will sustain usand that is something to believe.
