A planet plagued with tumult from outsiders and divided by its own religious dichotomy could face extinction if their faiths are not united and an unholy artifact is destroyed. Safiro, the God of Death, and Sanguina, the Goddess of Life, created two heroes (Vytametas) -- mirror twins separated at birth yet destined to meet in a place where the future of their world will be decided by their powers. The only people who know not the ultimate purpose of the legendary Vytametas are the young heroes themselves. While the teenage Vytametas learn of their world and of their mission, they will be turned against each other by the two faiths they are meant to save: the demented Safiric Brotherhood and the shady Sanguinic Sisterhood.

Although start-ups represent a major phenomenon in the USA, they also create skepticism and even suspicion, perhaps because of the excesses of the Internet bubble. Apple, Microsoft, Intel, Cisco, Yahoo and Google were all start-ups and these success stories show that the phenomenon is not mere speculation. The goal of this book is to show start-ups from a different angle. Start-ups are created by individuals who are passionate and who have dreams. Therefore this work should not only be read by specialists of innovation or by high tech entrepreneurs, but also by anyone interested in the history and economics of start-ups. The book is presented in two parts: it begins with a presentation of Silicon Valley start-ups, which ends with a description of the ecosystem of this region. The second part is dedicated to Europe, where the start-up phenomenon has failed in comparison. The main message is that it is absolutely necessary to take more inspiration from Silicon Valley.

This is the 10th book in the Neptune King series. In The Case of the Amnesiac Client Neptune's maid introduces him to Mary North a troubled young woman working as a maid with no memory and a vague impression that everything is not quite right. He figures it's a case for K&J. Intrigue, deception and imposters lead them to France and back again to high society in search for her real identity. In The Case of the French Blackmailer, Shark's sins come back to haunt him when Monique, the French waitress he met while on the trail of the Shadow in France turns up with a baby, claiming it is his and threatening to tell Lord Evans unless he pays. Shark is shocked and desperate and turns to

Neptune for help, while hoping to keep the whole sordid affair secret from Rachel and Becky, but he underestimates the women in his life. In The Case of the Deadly Sleepwalker Lisa Hatherly is arrested for murdering her neighbour in her sleep! Philip Briton, Neptune's solicitor hires the boys to investigate. The evidence looks black against her—her footprints in the snow to and from the dead woman's house, the dead woman's jewels hidden in her wardrobe and her own admission that she'd had an argument with the deceased and was sleep walking that night with her soaked slippers matching the prints. Neptune's boutique is being robbed in The Case of the Shoplifting Shop Assistant, and it doesn't take him long to find the culprit. Meantime, Shark's family have arrived from Australia in time to celebrate Christmas with his friends in his new house.
