daily care, personality, health, temperament, diet, clubs, breeders, the equipment you need, along with your responsibilities as an owner. Colette Anderson has many years of experience owning and breeding cats, and passes on her knowledge in an informative and easy to read style. Burmese Cats has plenty of sound advice and answers to your questions - including some you didn't know you had!

A book devoted to cats with 1000 pictures featuring over 300 species.

The experts reveal how to interpret and understand your dog's symptoms and what steps to take to ensure its health. This comprehensive and practical book is designed to assist dog owners in understanding their pets' bodies and health based on signs and symptoms of disease, and in determining the most common medical problems that might cause particular symptoms. Adopting the "decision chart" format from popular symptom guides for human ailments, such as the American Medical Association's Guide to Your Family's Symptoms and Take Care of Yourself, five leading veterinarians have designed a user-friendly chart system that will guide a pet owner from noting the symptom and observing the dog's behavior to understanding the associated signs of an illness, the possible conditions, and the best steps to take. Filled with more than two hundred charts in an easy-to-follow two-color format and medical drawings, *The Veterinarians' Guide to Your Dog's Symptoms* is the indispensable reference for dog owners. It not only considers the problems of sick and injured pets, but also addresses the needs of healthy animals. It has all the information a dog owner needs: , What a healthy dog should look like , Flow charts to the 150 most common symptoms , Training and behavior issues, such as housebreaking and aggression , Emergency first aid, including how to apply bandages and create a makeshift muzzle , A glossary of veterinary diagnostic tests and medical terms With this unique combination of medical information and advice, plus an innovative chart system, *The Veterinarians' Guide to Your Dog's Symptoms* will enable pet owners to help their dogs live long, healthy, and happy lives.

Meet Maru! This round, adorable Scottish Fold cat may be an internet sensation, but he knows how to keep his celebrity status from going to his fluffy head . . . mostly. Maru and his owner, mugumogu, give readers a peek into the low-key life of the world's most famous cat. See all his favorite hiding places—trash cans, cupboards, cereal boxes . . . if it's cozy, he's there—meet his treasured toys, and learn what it means to wield just the right amount of cat-titude.

The most essential information for both potential cat owners and feline fanatics. Find out how to choose, housebreak, groom, and even travel with your feline friend.

The Way of Cats is a way of playing games with our cat. These communication, training, and affection games are fun and easy to learn. Then we have well-behaved and happy cats.

Explore the wonderful world of tortoiseshell cats and tortoiseshell cat behavior Tortie cat behavior: With about 2 million tortoiseshell cats in the United States, these special felines tend to be strong-willed, a bit hot-tempered, and often very possessive of their humans. Other words used to describe torties are fiercely independent, feisty and unpredictable. In Tortitude: The BIG Book About Cats With a BIG Attitude, cat expert Ingrid King (The Conscious Cat) brings her professional and personal experience to explore why these cats are so special. With expert insights combined with stunning photography and passages dedicated to the cats and their passionate guardians, King offers a new perspective on these exceptional cats.

longhaired assortment of the Russian Blue. Their name is German and signifies "animal of the fog," a reference to the feline's shining shimmering blue coat that appears to skim over their body. Smooth, keen, and friendly, these felines have magnificent qualities that would suit practically any caring family. Their dazzling looks, rich developments, and to some degree standoffish nature add to their riddle and charm, giving them a practically legendary quality.

Maine Coon Cats - The Owners Guide from Kitten to Old Age - is a must-have book for any responsible owner of a Maine Coon kitten or adult cat. This owner's guide contains up-to-date information and is full of useful advice written in an easy to read (and understand) style. Just some of the subjects covered include: origins and history of the Maine Coon cat, types and colors, buying an adult cat or kitten, male or female, pros and cons, rescue, adoption, breeders, catteries, personality, socialization, spaying, neutering, litter training, bringing your kitten home, grooming, combing, bathing, cat shows, health, vaccinations, training, understanding your Maine Coon, play and toys, food and nutrition, plus old age and what to expect. Written by an expert breeder and owner herself, Rosemary Kendall, writes in a fun and entertaining way while packing the book full of useful hints and tips about these cute and adorable cats. In addition, many top breed experts make contributions, including three special bonus chapters written by breeders who also show their Maine Coons. "As a new Maine Coon owner I wanted an A-Z guide to help me through all the stages of life. It certainly met all my expectations." - Amy Willis "Clearly a professional book which covers everything you need to know about the Maine Coon - funny and informative at the same time." - Alan Edwards

This book, the first in the popular Watching series, explains everything from why cats purr to why we say it's raining cats and dogs. 26 black-and-white photographs.

A magical book about cats and kittens for young readers to treasure. A perfect book for any child interested in cats and kittens, this is a friendly introduction to the world of cat breeds and kitten behavior. Children will learn all about their favorite cat breeds, such as the Ragdoll or Persian, and how baby kittens learn through play. Colorful images, fun facts, and bite-size chunks of information make this a must for kids with a passion for cats.

The Chartreux cat is a gorgeous breed: beautiful, intelligent, gentle, relaxed, energetic, loving and independent. This book provides a great deal of helpful factual and practical information on the Chartreux cat's history, temperament and what it needs in order to be happy and healthy. It also contains material that is not specific or unique to the breed but that is relevant for any cat owner. If you are considering buying a Chartreux you will find information about the advantages and disadvantages of these cats so that you can make a balanced and considered decision that takes the nature of the cat, your personality and your lifestyle into account. If you already own a Chartreux, the contents of this book will help you to make the most of your wonderful companion and keep him or her well cared for. There are a number of practical tips, lists and checklists to help you to become the cat owner your feline friend needs you to be. For those who have these wonderful cats and are considering breeding with them, this book is for you too as it provides general information about heat cycles, mating, pregnancy and birth and

Traces the history of the domestic cat, and shows and describes in detail a wide variety of new and traditional breeds, from American Curlys to Turkish Angoras, discussing their origins, unique characteristics, behavior and temperament, care, and more. Reprint.

The numerous cat breeds are both varied and mysterious. Most have tails, some do not. Some have curled ears, some have huge ears. Some have long hair, some have short, and some have no hair at all. Some have hair, but it's really no more than a little peach fuzz. But there are more just than just physical differences between the breeds. Their personalities are just as vibrant, and each breed is not quite like the others. Some are chatty and friendly, others are aloof and circumspect. Some spend their days climbing door frames, others would rather lie about in the sun. These differences are fascinating to behold and helpful to all those interested in sharing their home with a cat. Found here are more than sixty of the most common breeds and hybrids from around the world.

Have you ever wondered what your cat is saying? Cats do not meow randomly, nor do they growl or hiss because they have nothing better to do. Cat sounds have a purpose, and they can carry important messages, whether for us or other cats. Susanne Schötz is hard at work on breaking the cat code. She is a professor at Lund University in Sweden, where a long-standing research program is proving that cats do actually use vocal communication—with each other and with their human caretakers. Understanding the vocal strategies used in human-cat communication will have profound implications for how we communicate with our pets, and has the potential to improve the relationship between animals and humans within several fields, including animal therapy, veterinary medicine and animal sheltering. In *The Secret Language of Cats*, Schötz offers a crash course in the phonetic study of cat sounds. She introduces us to the full range of feline vocalizations and explains what they can mean in different situations, and she gives practical tips to help us understand our cats better.

Humans of New York meets *The French Cat* in this carefully cultivated, gorgeous full-color collection featuring New York's iconic felines and the stories behind them. They inhabit New York City's most legendary and coziest spots—the Algonquin Hotel, a whiskey distillery, Bleecker Street Records, and a host of yoga studios, bodegas, bookstores, and bike shops in between. True New Yorkers—masters of people watching—they perch on wine crates, piles of books, and a classic hotel countertop, taking in the activity around them. Depending on their mood, these cats will ignore enthusiastic admirers, offer a few delightful purrs, or occasionally even take a swipe. Some even find a mouse or two to chase. *Shop Cats of New York* introduces forty of New York's favorite felines—all who have an extraordinary story to tell. Popular cat blogger Tamar Arslanian and Instagram pet photographer Andrew Marttila capture these deeply loved and well cared for animals in their city habitat and reveal how they came to reign over their urban kingdoms. A celebration of some of the city's most revered citizens and a unique look at New York life, this enchanting illustrated volume is a must for every cat lover, and every Big Apple devotee.

Discusses the different breeds and varieties of domestic cat, with information on feeding, health, general care, and equipment

A New York Times Bestseller "I have to hand it to Bradshaw and Ellis: Once you suss out their basic cat-training philosophy, their methods totally work." --Slate We often assume that cats can't be trained, and don't need to be. But in *The Trainable Cat*, bestselling anthrozoologist John Bradshaw and cat expert Sarah Ellis show that cats absolutely must be trained in order to enrich the bond between pet and owner. Full of training tips and exercises--from introducing your cat to a new baby to helping them deal with visits to the vet--*The Trainable Cat* is the essential cat bible for cat owners and lovers. "I doubt you'll find a more well-informed or scientific book on cats that better shows you how

feline thinking works."--Times (UK)

Building a lifelong, loving relationship with a cat can be a challenging task. Whether you're thinking of adopting a cat or already live with one, The Humane Society of the United States Complete Guide to Cat Care offers authoritative and practical advice that will help you make the best decisions for your pet along the way. This comprehensive guide includes sections on choosing a healthy cat or kitten, feeding and nutrition, training, grooming, disease, vet visits, caring for an aging cat, feline first-aid kits and emergency care. Unlike other books that endorse breeding and promote novelty or purebred cats, The Humane Society's Guide to Cat Care stresses making life better for the millions of cats already here. It provides information on rescuing and rehabilitating homeless cats, finding a stray's owner, and helping an outdoor cat make the transition to a safe indoor environment. The guide also encourages animal advocacy and offers a list of ways to get involved. Cat Lover's Daily Companion is a unique, easy-to-use, and inspiring handbook filled with a year's worth of insight, helpful tips, and practical advice into the feline-human relationship. Whether you're a cat owner yourself or someone who just loves all things cat, this book will provide you with a lifetime's worth of ways to enjoy and appreciate cats, whether you have a house full of cats, or just a shelf full of books. The format of the book—a year-long, day-minder-type book—is not meant to be read cover to cover; rather, you can begin reading on any given day and still be inspired. Cat Lover's Daily Companion is completely indexed so readers in search of specific content, not just dabbling, will be able to navigate it.

"Bengal Cat and Kittens" will introduce you to the cat that is like no other breed in terms of their dog-like habits. If you are looking for a loyal companion that fetches, walks on a leash, often has a strong fondness for water, and is as beautiful as the Asian Leopard Cat it descended from originally, then this might be the ideal cat for you! This book also includes information on how the Bengal cat compares to other similar exotic breeds of cats that have "wild" cat ancestors from a few generations back, as well as TICA information, and legal considerations specifically for USA, Canada and the UK. "It's good to finally read a book by someone that has owned and clearly loves Bengals like I do. I learned a lot about my Bengal kitten after reading it. Highly recommended!"
-Louise Pasli

Is the Egyptian Mau naturally spotted? Where does the Mau originate? Why does my Mau have loose skin? How can I train my Egyptian Mau kitten? How big will my Mau grow? How do I care for my Mau? In this easy to read guide you will find the answers to all these questions and much more. Find out how to care for your glorious Egyptian Mau kitten and cat, discover amazing facts and create the purrrfect home for you and your lifelong companion.

The Sphynx breed is loyal and obedient so long as you give it proper loving care. It is generally a healthy breed that is less susceptible to common diseases that other cat breeds are highly susceptible to. The popularity of the Sphynx across the globe is not in doubt. It is one of the top cat breeds that most home owners prefer to have in their homes as indoor and outdoor pets. It's popularity is also evident in the increasing number of cat breeders registering with different cat registries around the world. It is also not surprising that dedicated Sphynx cat clubs are also being established in different regions around the world. This is another very informative book by Elliott Lang. As an animal lover, he enjoys writing animal books and advising others how to take care of their animals to give them a happy home. He has been in the company of animals for over 40 years. This book is a must have

guide for anybody passionate about Sphynx Cats. Sphynx Cat care, personality, grooming, health, training, costs and feeding all included. The book is written in an easy to read and understandable style. In a straight forward, no nonsense fashion, Elliott Lang covers all aspects of keeping Sphynx Cats as pets. Elliott Lang says: I have always been in the company of animals. My family has always been hands on with the pets in our household. Whether it was bathing, feeding or taking care of our animals, my family ensured that the animals got the best of everything. These animals were the centre of all our activities. There was not a single day that did not begin with a discussion about our pets. What to feed them? How to take care of a cat or dog that is ailing? What is the most nutritious thing to feed them? These were common dinner table conversations while I was growing up. So, needless to say, I have had a lot of practical training with respect to taking care of different breeds of animals. Today, I am in a very privileged place where I can share this information with pet lovers across the globe. I would never have been able to provide you with so much comprehensive information without the knowledge that I gained from my father, my family and of course my beloved cats. Presents photographs of mischievous kittens and cats, along with quotations describing the intentions and attitudes of the feline subjects.

Choose the perfect cat for you From Siamese to Sphynx cats, The Complete Cat Breed Book will help you choose the perfect companion for you. Fully illustrated and featuring over 150 of the world's best-loved cat breeds, this is the only cat breed guide you'll ever need. Complete with breed history, appearance and personality traits with Q&A charts, you're sure to find all the information necessary when choosing your cat. Also find expert advice on communicating with your cat and top tips on tackling behavioural problems such as ankle biting or furniture scratching. A concise care programme will cover all stages of your cat's life, from establishing a routine to dealing with common health problems. The Complete Cat Breed Book is a one-stop manual to helping you become the owner of a happy, healthy, well-mannered cat.

Cats have been domesticated since prehistoric times, perhaps for as long as 5,000 years. Throughout human history, they have been greatly valued as destroyers of vermin, as well as for their ornamental qualities. The domestic cat is related to lions, tigers, pumas and other wild cats and the similarity in looks and behaviour is immediately apparent. The Ultimate Guide to Cat Breeds has a lot of rich information about the most well known cat breeds in the world, such as Persian, Maine Coon, Siamese, Abyssinian, Russian Blue, Tonkinese, and Burmese. Cats, both wild and domestic, are presented in this beautiful full-color book featuring hundreds of facts about your favorite felines. It was probably the Ancient Egyptians, 5,000 years ago, who first recognized the value of cats - encouraging the animals into their homes and grain stores to keep rats and mice at bay. It did not take long for the rest of mankind to fall for the charms of the cat, and cats have been part of our lives almost continuously ever since. In addition to being quiet, clean and efficient hunters of vermin, cats have proved to be playful, intelligent and affectionate companions, too. The Ultimate Guide to Cat Breeds describes the origins and characteristics of the cat, its evolution from wild animal to perfect pet, and at the same time places it in its historical and cultural contexts. The book then goes on to provide valuable advice and guidance about all aspects of cat ownership and care, including choosing a cat and keeping it healthy. All

major breeds recognized by the international cat fanciers are featured, with information on temperament and special grooming requirements to help the would-be owner choose the ideal cat companion. The book is illustrated with over 400 color photographs. Whether you are thinking of getting a kitten, already have a cat, or are considering adopting a rescue moggy, this is the book for you! The chapters cover- breeds and types, advice on rescuing versus buying, feeding, training, sleeping and play, keeping your cat healthy, grooming, the pros and cons of indoors and outdoors cats, caring for senior cats, dealing with destructive behaviour and aggression, how to integrate a second cat and troubleshooting tips for all-round happiness. With adorable photos throughout, this wonderfully informative book deserves a place in every cat owner's home.

A cat is a cat—but not all cats are created equally! New books in this popular series introduce six more favorite cat breeds and the characteristics that make them unique. For cat lovers and potential pet owners alike, these books show young readers the personality and behavior of each cat breed. A photo-illustrated book for early readers about British Shorthair cats. Describes the cat's unique features, great hunting skills, and how they act as pets. Includes a table of contents, photo diagram, glossary, further resources, and index.

An easy, step-by-step book tutorial for beginners showing how to sculpt 20 different cat breeds using polymer clay with easy to follow instructions and few or no sculpting tools required. Included in the book are 20 different cat breeds that the reader can sculpt and bake in a conventional or toaster oven to give away to friends and family. Learn how to sculpt a Siamese Cat, Maine Coon, Bengal Cat, Sphynx Cat, and 16 others using supplies that can be found in most craft stores and at home. List of Cats in this Book: Devon Rex, Bengal Cat, Maine Coon, Siamese Cat, Lykoi, Sphynx Cat, Nebelung, Savannah Cat, Munchkin, Somali Cat, LaPerm Cat, Ukrainian Levkoy, Scottish Fold Cat, Exotic Shorthair, Chartreux, Oriental Shorthair, Bombay Cat, Peterbald, Abyssinian Cat, and Havana Brown. 106 pages.

Have you ever been labeled as "antisocial," "shy," or "lost in your own thoughts" because you don't realize someone's been calling your name 148 times? The cats understand. *All Cats Are Introverts* is a collection of self-reflective poetry from cats that clearly shows them to be the insightful, often alert, crowd-averse, personally engaging, probably napping-as-we-speak introverts of the animal kingdom. Enjoy this completely relatable and hilarious book, and perhaps you will soon see the cat—and even yourself—in a whole new light.

The Nebelung cat is playful, lively and a highly intelligent cat. Everything you need to know about keeping the Nebelung Cat as a pet is in this book.
