familiar words and developing their vocabulary with the help of Postman Pat and Jess.

Life is hard for Archie. It often seems like the world is out to get him. People are always telling him what to do... "Eat your snack, Archie!", "Don't lick the bus stop, Archie," "Stop putting Mommy's phone in the garbage, Archie!" An then one day his heart is shattered when he learns his parents are to replace him with a younger sibling--the utter bastards! The only comforts he finds are in his best friend Amelie, who teaches him all the good swear words, and the sweet relief he gets from sinking his teeth into other people's limbs. From naked protests to dealing with other people looking at YOUR THINGS!, this is a no-holds-barred account of life told through the eyes of Archie--a creatively stifled, modern day toddler. Sunday Times bestseller Hurrah for Gin has delighted fans with its honest, emotional and laugh-out-loud accounts of parenting. Brilliantly illustrated with Katie Kirby's unique stick-figure drawings and told in the same outrageously funny way, The Daily Struggles of Archie Adams, Aged 2 1/4 once again takes on the highs and lows of family life, this time with one opinionated toddler having his say.

A sticker book showing a Postman Pat story. Postman Pat looks at his barometer every morning to find out what the weather will be like, but lately it's got

The period under review covers the years of 1984-87 - nearing the end of the third decade of the Troubles. It will use research and oral contributions from the mid to late 1980s and will show not only how the Provisional IRA (PIRA) grew in financial and logistical strength, but also how the Security Forces (SF) worked hard to contain them. It was also a period where the Republican terror group fully embraced Danny Morrison's mantra: 'The Armalite and the ballot box' as they moved toward a realization that the British military could not be beaten, but that they (PIRA) could at least sit down with them from a position of strength.

Thereafter, their intention was not only political agitation, but also to keep up the terror campaign and force the British Government to talk; further to ensure that they – the British - accepted that there could only be an impasse (albeit one of continued violence). However, whilst they fought, talked and then fought again, a further 356 people died. This book will cover every major incident of the period - commencing with the ambush of an off-duty UDR soldier, Robert Elliott, through to the shameless bombing of Enniskillen. Significantly, both incidents were at the

hands of the Provisional IRA. It will also look at the continued negative interference of the United States and the vast contribution of the Brit-hating Irish-Americans through NORAD, which ensured the killing and the violence would continue.

Wherever he goes, Pat's friends offer him delicious things to eat. Soon he won't be able to button up his suit. This is the fifth book in the Postman Pat Beginner Reader series, based on the popular television series

On the night of Friday, April 22nd 2005 three residents were murdered at a Nursing Home; Iris Crawford, 88, Wally Green, 73, and Margaret Kelso-Brown, 82, died in their beds, their throats cut. I was expecting a death in Kellingham, but not for another week. And one death, not three.

Alfie Jolly is 59 and unhappy with his life. More specifically, with his birthdays. You see, none of them have been any good and with his sixtieth on its way, Alfie can't help but think he's been wronged. Spur of the moment, Alfie decides he wants to return/recycle all of his old birthdays. The only trick now is to find out how. A trip the North Pole, a chat with Father Christmas, and a flight to Egypt later, Alfie meets Father Birthday who, eventually, agrees to help turn back the clock. Literally. Suddenly Alfie is a child again, reliving each birthday and making new and better memories. Like in 1966 when he and
