This book present proven strategies to enhance learning and reduce wasted study time in any learning situation.

First published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

This study explores historical understandings of Christian communities, cultures, and institutions within the Indian world from their beginnings to the present time. Frykenberg focuses on trans-cultural interactions within Hindu and Muslim environments, uncovering complexities as Christianity intermingled with indigenous cultures.

The Diary of a Young Girl, also known as The Diary of Anne Frank, is a book of the writings from the Dutch language diary kept by Anne Frank while In 1942, with zis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. The family was apprehended in 1944, and Anne Frank died of typhus in the Bergen-Belsen concentration camp in 1945. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fasciting commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. The diary was retrieved by Miep Gies, who gave it to Anne's father, Otto Frank, the family's only known survivor, just after the war was over. The diary has since been published in more than 60 languages.

Faiz Ahmen Faiz is looked on as the most important Urdu poet in both India and Pakistan. This collection of his poems is representative of the best in contemporary Urdu writing. The Urdu text is presented with English translations.

A discussion with a friend soon turned into a matter of self-assessment, leading to this discourse on why Bhagat Singh chose to be an atheist. Even in the face of death at a very young age, with uncanny observations and sharp questions, he forces us to re-think our foundations to faith in god.

The Volume Comprising Ten Essays, Written Over A Period Of Time, Is Principally A Sum Of Critical Responses To Some Of The Great Poets, Such As Sheikh Farib, Guru Nanak Dev, Guru Tegh Bahadur, Warris Shah, Bhai Vir Singh, Puran Singh, Mohan Singh, Amrita Pritam And Shiv Batalvi In The Punjabi Language.

The Ancient Legend Of Puran Bhagat Is Part Of The Folk Culture Of Punjab And Other States Of North India. In Medieval Times Kadiyar Wrote Two Versions Of The Story In Punjabi. Shiv Kumar BatalviyS Luna Is Based On This Legend.

Successful, sexy attorney Nicole Charbonneau feels content with her life and career as a star at a powerful law firm in Washington, DC. She is blind, however, to the circumstances that will put her at the center of a web of deceit, murder, power plays and conspiracies. Across the ocean, British MI-6 Agent Sean Adkins is tracking a cold-blooded assassin known as the Serpent,

who's been hired to kill President Andrews. The Serpent cares only for the millions he'll get, not why the powerful group of men wants Andrews killed. The Serpent, a master of disguise, completes his job, but will it be his last? Sean will stop at nothing to get revenge, which includes setting a trap. Nicole, through her work and her connection with Robert Jenkins, a powerful young senator who happens to head the Intelligence Committee, pieces together who hired the assassin. Will the senator reveal to the public all he knows, or will revealing the identities of the powerful businessmen, politicians and government officials be too much for a country already in a fragile state? Blind Influence, set in 1979 when the United States was on the brink of its second oil crisis, takes readers on a wild ride of political intrigue and personal discovery.

From Plassey to Partition is an eminently readable account of the emergence of India as a nation. It covers about two hundred years of political and socio-economic turbulence. Of particular interest to the contemporary reader will be sections such as Early Nationalism: Discontent and Dissension , Many Voices of a Nation and Freedom with Partition . On the one hand, it converses with students of Indian history and on the other, it engages general and curious readers. Few books on this crucial period of history have captured the rhythms of India's polyphonic nationalism as From Plassey to Partition.

The first Dalit autobiography to be published, Baluta caused a sensation when it first appeared, in Marathi, in 1978. It quickly acquired the status of a classic of modern Indian literature and was also a bestseller in Hindi and other major languages. This is the first time that it has been translated into English. Set in Mumbai and rural Maharashtra of the 1940s and '50s, it describes in shocking detail the practice of untouchability and caste violence. But it also speaks of the pride and courage of the Dalit community that often fought back for dignity. Most unusually, Baluta is also a frank account of the author's own failings and contradictions-his passions, prejudices and betrayals-as also those of some leading lights of the Dalit movement. In addition, it is a rare record of life in Maharashtra's villages and in the slums, chawls and gambling dens of Mumbai.

A History of India is a compact synthesis presenting the grand sweep of Indian history from antiquity to the present. It remains the definitive text on the nation. This new edition has been thoroughly revised, containing new research, and an up-to-date preface, index and dateline. The authors examine the major political, economic, social and cultural forces which have shaped the history of the Indian subcontinent in this survey. This classic text is an authoritative detailed account which emphasises and analyses the structural pattern of Indian history.

Based on decades of his own research, a pioneering epidemiologist reveals the surprising factors behind who lives longer and why. You probably didn't realize that when you graduated from college you increased your lifespan, or that your co-worker who has a master's degree is more likely to live a longer and healthier life. Seemingly small social differences in education, job title, income, even the size of your house or apartment have a profound impact on your health. For years we have focused merely on how advances in technology and genetics can extend our lives and cure disease. But as Sir Michael Marmot argues, we are looking at the issue backwards. Social inequalities are not a footnote to the real causes of ill health in industrialized countries; they are the cause. The psychological experience of inequality, Marmot shows, has a profound effect on our lives. And while this may be

alarming, it also suggests a ray of hope. If we can understand these social inequalities, we can also mitigate their effects. In this groundbreaking book, Marmot, an internationally renowned epidemiologist, marshals evidence from around the world and from nearly thirty years of his research to demonstrate that how much control you have over your life and the opportunities you have for full social participation are crucial for health, well-being, and longevity. Just as Bowling Alone changed the way we think about community in America, The Status Syndrome will change the way we think about our society and how we live our lives.

Operation Blue Star Is One Of The Most Controversial, Hotly-Debated Military Operations In The World And A Turning Point In Contemporary Indian History. This Is An Account By The Army Officer Who Led It -- Touchingly Honest, Often Anguished, Minutely Detailed. It Hides Nothing -- Not The Unexpected Reverses Suffered By The Army, Nor Its Miscalculations, Nor The Grit And Determination Of The Militants It Was Assigned To Flush Out.

It is rare and splendid event when an author is elevated from the underground into the international literary establishment. In the case of England's best-known and best-loved modern satirist, that event has been long overdue. Terry Pratchett's profoundly irreverent Discworld novels satirize and celebrate every aspect of life, modern and ancient, sacred and profane. Consistent number-one bestsellers in England, they have garnered him a secure position in the pantheon of humor along with Mark Twain, Douglas Adams, Matt Groening, and Jonathan Swift. Even so distinguished an author as A. S. Byatt has sung his praises, calling Pratchett's intricate and delightful fictional Discworld "more complicated and satisfying than Oz." His latest satiric triumph, Carpe Jugulum, involves an exclusive royal snafu that leads to comic mayhem. In a fit of enlightenment democracy and ebullient goodwill, King Verence invites Uberwald's undead, the Magpyrs, into Lancre to celebrate the birth of his daughter. But once ensconced within the castle, these wine-drinking, garlic-eating, sun-loving modern vampires have no intention of leaving. Ever. Only an uneasy alliance between a nervous young priest and the argumentative local witches can save the country from being taken over by people with a cultivated bloodlust and bad taste in silk waistcoats. For them, there's only one way to fight. Go for the throat, or as the vampyres themselves say...Carpe Jugulum
