Feeling lonesome and blue, Blueberry Bear is determined to search for a friend who will accept her. As Blueberry Bear escapes the Bubba farm, she collides with Tripper von Hare IV and asks for his friendship. Not trusting any hunting dog, Tripper von Hare IV zips away leading Blueberry Bear into his world - the forest. Deep in the forest, Blueberry Bear catches up to Tripper von Hare IV. Shunned by the hare and his friends, a wolf offers his friendship to Blueberry Bear. Tripper von Hare IV and his friends discourage Blueberry Bear about accepting Wolf's friendship. Trusting her instincts, Blueberry Bear finds the courage to confront the wolf. In this new adventure tale, Blueberry Bear is unaware of the lessons she will face in friendships, trust, and courage.

Grandude brightens a dreary weekend for his visiting grandchildren, Lucy, Tom, Em, and Bob, by using his magic compass and postcards to take them on adventures around the world.

These adorable service puppies are matchmakers in the making... When Sophie Vasquez and her sisters dreamed up Puppy Promise-their service puppy training school-it was supposed to be her chance to bring some good into the world. But how can she expect to do anything when no one will take her seriously? Enter Harrison Parks: a rough, gruff, take-no-bull wildlife firefighter in need of a diabetic service dog. He couldn't be a more unlikely fit for Sophie or Bubbles-the sweet Pomeranian she knows will be his perfect partner-but when Sophie insists he give them both a shot, something unexpected happens: he listens. Even better, he keeps on listening, even as Sophie and Bubbles turn his lonely, uber-masculine world upside-down. As it turns out, they all have something to prove...and more than enough room in their hearts for a little puppy love. ECPA BESTSELLER—Over one million copies sold! When a charming polar bear cub climbs into bed one night, she asks her Mama a very important question, one that little “human cubs” often wonder about, too: “Where did I come from?” As

Mama bear tucks her youngest cub under the quilts, she gently, tenderly, and reassuringly communicates the message loving parents everywhere (bears and non-bears alike) want their little ones to hear: "We wanted you very, very much, and we are so very glad because—God gave us you." Perfect for bedtime, naptime, storytime or anytime, *God Gave Us You* provides a valuable opportunity to build children's self-esteem every day and assure each one that he or she truly is a welcomed, precious, and treasured gift from the Lord. Also available in the *God Gave Us* series: *God Gave Us Two* *God Gave Us Christmas* *God Gave Us Heaven* *God Gave Us Love* *God Gave Us So Much*

Dogs have always been our friends and changed our lives for the better. But they may save our lives as well. Seamlessly weaving scientific research with compelling narrative, *Paws & Effect* tells incredibly moving stories of beloved pets who have supported their people through periods of ill health and other crises—with miraculous results: *Little Ben, a Chihuahua who can sense impending epileptic seizures *Abdul, a Golden Retriever/Lab mix, who was the world's first service dog and helped his owner by retrieving keys and phones, medicine from countertops, water from the refrigerator, and could even hand in credit cards at the grocery store *A Dalmation named Trudii, whose obsessive behavior prompted her owner to seek a medical examination that revealed

Cesar Millan—nationally recognized dog expert—helps you see the world through the eyes of your dog so you can finally eliminate problem behaviors. From his appearances on The Oprah Winfrey Show to his roster of celebrity clients to his reality television series, Cesar Millan is America's most sought-after dog-behavior expert. But Cesar is not a trainer in the traditional sense—his expertise lies in his unique ability to comprehend dog psychology. Tracing his own amazing journey from a clay-walled farm in Mexico to the celebrity palaces of Los Angeles, Cesar recounts how he learned what makes dogs tick. In Cesar's Way, he shares this wisdom, laying the groundwork for you to have stronger, more satisfying relationships with your canine companions. Cesar's formula for a contented and balanced dog seems impossibly simple: exercise, discipline, and affection, in that order. Taking readers through the basics of dog psychology and behavior, Cesar shares the inside details of some of his most fascinating cases, using them to illustrate how common behavior issues develop and, more important, how they can be corrected. You'll learn:

- What your dog really needs may not be what you're giving him
- Why a dog's natural pack instincts are the key to your happy relationship
- How to relate to your dog on a canine level
- There are no "problem breeds," just problem owners
- How to choose a dog

who's right for you and your family • The difference between discipline and punishment • And much more! Filled with fascinating anecdotes about Cesar's longtime clients, and including forewords by the president of the International Association of Canine Professionals and Jada Pinkett Smith, this is the only book you'll need to forge a stronger, more rewarding connection with your four-legged companion.

Here's to great dogs. Many of us would like to believe there's a special place in doggie heaven for the really great ones. I know I want to. No question they've earned it, deserve it, and it seems only fair. I know there are a great many great dogs out there, working their magic, living their lives with their families and saying it all without ever saying a word. For dog lovers, our precious memories of those "non-conversations" with dearly-departed four-legged friends lend silence a deafening quality. I explained to a friend that Paw Prints is a book about great dogs, not just my dog, although Mac was truly some great dog. And as I've said many times, he was certainly the dog of my life, and his friendship enriched and changed not just my life, but the lives of everyone in our family. While the book is my attempt to capture Mac's remarkably and improbably wonderful story before it fades to past, it's also in many ways my story, too. Because Mackie and I were happily and deliriously, joined-at-the-paw. Amazing, I think, that I could learn so much from a guy that never said a word. Paw Prints in My Heart is Mac's story. I think of it as my gift to our family and all of his friends, two and four-legged, that had the pleasure and the privilege of knowing and being loved by this magnificent old Labrador retriever. It's my best attempt to capture and chronicle a remarkable life, the pain and sadness of his passing, but most of all, his joyful impact upon us over what truly was a most improbable

life of fourteen years and a day. A reverent and grateful tribute to a gentle and pure spirit that for me will always be a living reminder of a loving friend in the very truest sense. In every way, for me this book was a labor of love and joy to write. Parts will make you laugh, and others may bring you to tears, so a tissue at times may be advised. But I have the highest hopes that you'll read it, enjoy it, and connect in ways that only you can understand. Maybe even share it with friends that might understand and pass it along, as a comfort for a true friend they've lost, and for what they've experienced, and a way for them to remember the laughter and happy times through their tears. I hope that dog lovers everywhere read this book and see a bit of their dog in Mac. I hope that the non-dog lovers amongst us read this book and reconsider. I hope that everyone has at least one dog of their life in their life. My first novel *Rush to Dawn*, was, in many ways a love letter to my wife, Lynne. This book, I'd like to believe, is a love letter from Mac to all of us.

Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years' experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man's best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs

are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover:

- How you can get your dog to come when called by acting less like a primate and more like a dog
- Why the advice to “get dominance” over your dog can cause problems
- Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief
- How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!”

Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

A generous but increasingly put-upon bear makes batch after batch of doughnuts for her woodland friends without saving any for herself in this delightful debut picture book about counting, sharing, and being a good friend. LouAnn (a bear) is making a doughnut feast in preparation for her long winter's nap. But just before she takes the first bite, DING DONG! Her friend Woodrow (a woodchuck) drops by. LouAnn is happy to share her doughnuts, but as soon as she and Woodrow sit down to eat, DING DING! Clyde (a raccoon) is at the door. One by one, LouAnn's friends come over--Topsy (an opossum) and then Moufette (a skunk) and then Chip and Chomp (chipmunks)--until it's one big party. Louann welcomes her surprise guests and makes batch after batch of doughnuts, always dividing them equally among her friends. But she makes one BIG miscalculation. Soon LouAnn's kitchen is bare, winter is near, and she's had nothing to eat at all!
