Five years ago, Corin Cadence's brother entered the Serpent Spire -- a colossal tower with ever-shifting rooms, traps, and monsters. Those who survive the spire's trials return home with an attunement: a mark granting the bearer magical powers. According to legend, those few who reach the top of the tower will be granted a boon by the spire's goddess. He never returned. Now, it's Corin's turn. He's headed to the top floor, on a mission to meet the goddess. If he can survive the trials, Corin will earn an attunement, but that won't be sufficient to survive the dangers on the upper levels. For that, he's going to need training, allies, and a lot of ingenuity. The journey won't be easy, but Corin won't stop until he gets his brother back.

Scott Mandelker interviewed twenty-five Americans who claim extraterrestrial (E.T.) identity, and he made some astounding discoveries. Focusing on personal stories, Mandelker describes how childhood experiences, emotional traumas, and paranormal events led each subject from a life of confusion to one of clarity and self-validation. It is not easy to believe that you are an E.T., but once Mandelker's subjects were sure, all embraced their new identity with renewed sense of purpose. Whether or not you accept it as truth, "From Elsewhere" presents a compelling and credible examination of an unforgettable group of individuals who are firm in their beliefs and ardent in their desire to affect our lives for the better.

Magic, forbidden love, and madness unravel in the third book in this lush fantasy series that New York Times bestselling author Susan Dennard called "perfect for fans of Sarah J Maas." After the loss of a friend and a false imprisonment in an Elysian dungeon, Cyrene has no interest in destiny. Her heart was shattered, friends scattered, and her home is nothing but a pretty illusion. Even her magic won't cooperate. Only desperation can turn her to the last person she should trust: Prince Kael. His darkness mirrors a growing force lurking within her. A struggle she never imagined threatens to consume her. And as friends and foes begin to show their true colors, she starts questioning whether anyone is who they seem. Even herself.

The unforgettable conclusion to the epic fantasy Ascension series that New York Times bestselling author Susan Dennard called "perfect for fans of Sarah J Maas." The fate of the world rests on one girl's shoulders. And her world has been turned upside down. With Cyrene's allies in shambles after a bitter defeat, she has to find a way to bring them back together to stop the dark goddess. But with a war raging and the newly-united magical community barely held together, Cyrene's leadership has been called into question. As fate pulls them all toward that prophetic final battle, she has to find the true meaning behind her magic...and within herself.

The discovery of a mysterious object in the U.S. Capitol building and a subsequent kidnapping lead Harvard symbologist Robert Langdon into a web of mysterious codes, secret locations, and hidden knowledge.

Fans of the hit TV show *Heroes* will love *Quantum Prophecy*! Ten years ago, all the superhumans vanished. No one knows what happened to them--until now. Thirteen-year-olds Danny and Colin are shocked to discover that they are in fact the beginning of a renewed superhuman race. As they rise to take the place of the lost generation, the unimaginable truth behind the explosive final battle that occurred ten years ago between the superheroes and the supervillains is exposed. And when the past resurfaces, Danny and his fellow superheroes must face the new challenges that threaten their survival. On the run from everyone, and not knowing who is friend or foe, the one ability the new heroes are going to need most is the power to distinguish good from evil.

Dragons, wicked magic tournaments, and generations of prophecy come together for this explosive fourth book in this lush fantasy series that New York Times bestselling author Susan Dennard called "perfect for fans of Sarah J Maas." War is on the horizon. All while a new power grows strong, threatening the very balance of good and evil. Desperate to save her homeland, Cyrene goes in search of the dragons that may be the key to ending this battle—and heal her dying friend. Can Cyrene master her magic to save the world?

From #1 New York Times bestselling author Brandon Sanderson, the *Mistborn* series is a heist story of political intrigue and magical, martial-arts action. The impossible has been accomplished. The Lord Ruler -- the man who claimed to be god incarnate and brutally ruled the world for a thousand years -- has been vanquished. But Kelsier, the hero who masterminded that triumph, is dead too, and now the awesome task of building a new world has been left to his young protégé, Vin, the former street urchin who is now the most powerful *Mistborn* in the land, and to the idealistic young nobleman she loves. As Kelsier's protégé and slayer of the Lord Ruler she is now venerated by a budding new religion, a distinction that makes her intensely uncomfortable. Even more worrying, the mists have begun behaving strangely since the Lord Ruler died, and seem to harbor a strange vaporous entity that haunts her. Stopping assassins may keep Vin's *Mistborn* skills sharp, but it's the least of her problems. Luthadel, the largest city of the former empire, doesn't run itself, and Vin and the other members of Kelsier's crew, who lead the revolution, must learn a whole new set of practical and political skills to help. It certainly won't get easier with three armies -- one of them composed of ferocious giants -- now vying to conquer the city, and no sign of the Lord Ruler's hidden cache of atium, the rarest and most powerful allomantic metal. As the siege of Luthadel tightens, an ancient legend seems to offer a glimmer of hope. But even if it really exists, no one knows where to find the Well of Ascension or what manner of power it bestows. Alison Wells is no ordinary woman. Born with supernatural powers, she can never make love to a man without putting him in grave danger. But when her special vision reveals a glorious muscled man soaring overhead on mighty wings, she feels an overwhelming attraction she cannot resist—even as he tells her: "I have come for you. Your blood belongs to me." Kerrick is a vampire and a warrior who has fought his hunger for a woman's love for the past two hundred years. As a Guardian of Ascension, he is sworn to protect Alison from the death vamp armies who crave her blood and her power. But Kerrick has cravings of his own—a forbidden longing to open his heart and veins to Alison. To share his blood...satisfy his thirst...and seal their fates forever. *Ascension* is the first in Caris Roane's paranormal romance series that *Romantic Times* calls "a series with epic potential."

Paperback re-print of *Earthstars: The Visionary Landscape*. London's Sacred sites are not scattered about the capital at random. Many form a recognisable pattern of sacred geometry, a vast temple groundplan identical to the design used to lay out Stonehenge's megaliths over 3,500 years ago. Astonishingly, it also relates to the measures and proportions of the New Jerusalem, The City of Revelation. If the conclusions drawn by the author are correct, this pattern is a circuit diagram of the forces of creation and a new evolutionary impulse is coming through our sacred sites, a transformatory influence which will change the way we perceive the world.

British spy Elliot Kane is forced out of semi-retirement to investigate a colleague's suspicious death on Ascension Island, a remote and rocky outpost of the British military in the middle of the Atlantic. Despite uncovering a deep plot to incite a new world war, Elliot Kane has been on probation with the service since his misadventures in Kazakhstan. Having taken up a job teaching college literature and linguistics,

he surprisingly enjoys living a conventional life and wonders if he would even go back to spycraft. Then a colleague from an ages-ago mission reaches out with a request. One of her tech specialists was on a long-term mission, in deep cover, but has suddenly killed himself. The agency is afraid to finish this vital mission without knowing what prompted this seemingly healthy man to take his own life. The carrot in this offer is helping his old friend; the stick is a worse punishment from the Agency if he doesn't comply. So Elliott poses as an academic researcher and heads to one of the most remote places on the planet, Ascension Island. Arriving on a rocky, barely livable island located in the Atlantic Ocean, halfway between Brazil and Angola, Kane is unsure whom to trust and why this lonely outpost is so important to the British military . . . until he uncovers dangerous secrets that lead straight back to London's highest offices.

Unlock the key to a universal life-force in this astonishing book from the New York Times bestselling author of *The Source Field Investigations* and *Awakening in the Dream*. *The Source Field Investigations* was a New York Times, Wall Street Journal, and USA Today bestseller that uncovered hidden science and lost prophecies to illuminate an entirely new understanding of our world today. Now, in *The Synchronicity Key*, David Wilcock embarks on an astonishing investigation into what lies beyond—finding proof that everything in our lives is not only connected, but it also influences everything else. Using history, astrology, and synchronicity theory among other concepts, Wilcock shows that there is hidden architecture within time, guiding individuals and nations through a system of enlightenment Joseph Campbell called the Hero's Journey. Historical events occur in shockingly precise, repeating cycles of time as a result. Once we understand and identify the hidden laws of this seemingly random "synchronicity," we are left with a remarkable blueprint of how best to lead our lives in this uncertain and confusing world.

Looks at the science behind everyday cooking with information on molecular gastronomy, the physiology of taste, basic components of meals, the use of tenderizing enzymes and gelatins, and covers the effects of boiling, steaming, braising, roasting, grilling, and microwaving.

Introduces the world of Roshar through the experiences of a war-weary royal compelled by visions, a highborn youth condemned to military slavery, and a woman who is desperate to save her impoverished house.

One of the most ambitious works of paranormal investigation of our time, here is an unprecedented compendium of pre-twentieth-century UFO accounts, written with rigor and color by two of today's leading investigators of unexplained phenomena. In the past century, individuals, newspapers, and military agencies have recorded thousands of UFO incidents, giving rise to much speculation about flying saucers, visitors from other planets, and alien abductions. Yet the extraterrestrial phenomenon did not begin in the present era. Far from it. The authors of *Wonders in the Sky* reveal a thread of vividly rendered-and sometimes strikingly similar- reports of mysterious aerial phenomena from antiquity through the modern age. These accounts often share definite physical features- such as the heat felt and described by witnesses-that have not changed much over the centuries. Indeed, such similarities between ancient and modern sightings are the rule rather than the exception. In *Wonders in the Sky*, respected researchers Jacques Vallee and Chris Aubeck examine more than 500 selected reports of sightings from biblical-age antiquity through the year 1879-the point at which the Industrial Revolution deeply changed the nature of human society, and the skies began to open to airplanes, dirigibles, rockets, and other opportunities for misinterpretation represented by military prototypes. Using vivid and engaging case studies, and more than seventy-five illustrations, they reveal that unidentified flying objects have had a major impact not only on popular culture but on our history, on our religion, and on the models of the world humanity has formed from deepest antiquity. Sure to become a classic among UFO enthusiasts and other followers of unexplained phenomena, *Wonders in the Sky* is the most ambitious, broad-reaching, and intelligent analysis ever written on premodern aerial mysteries.

'A great epic fantasy debut' - James Islington, author of the *The Shadow of What Was Lost* Enter a world of royalists and rebels, spies and sorcerers . . . Sarine is a young artist just trying to survive on the streets of New Sarresant - but soon her magical abilities will draw the attention of royalists and rebels alike. Arak'Jur is a guardian, responsible for keeping his tribe safe. Now he must master an ancient magic if he hopes to protect his people from bloodshed. Erris is a brilliant cavalry officer whose leadership has delivered countless victories, but now her enemies seem to know her plans before she's even made them. These three heroes must rise - or the world will fall. *Soul of the World* is a stellar debut from a major new talent, an epic fantasy perfect for fans of Brandon Sanderson, Robert Jordan and Brent Weeks. 'A magical book, almost overflowing with originality . . . Fascinating world, fun characters, and captivating magic' - *The Quill to Live* 'Tense enough to make your spine crack . . . This is one hell of a debut novel' - *Bookworm Blues* *The Ascension Cycle* *Soul of the World* *Blood of the Gods* *Chains of the Earth* (forthcoming)

• Was Adam the first test-tube baby? • Did nuclear fission destroy Sodom and Gomorrah? • How were the ancients able to accurately describe details about our solar system that are only now being revealed by deep space probes? The awesome answers are all here, in this important companion volume to *The Earth Chronicles* series. Having presented evidence of an additional planet as well as voluminous information about the other planets in our solar system, Zecharia Sitchin now shows how the discoveries of modern astrophysics, astronomy, and genetics exactly parallel what has already been revealed in ancient texts regarding the "mysteries" of alchemy and the creation of life. *Genesis Revisited* is a mind-boggling revelation sure to overturn current theories about the origins of humankind and the solar system.

Prepare yourself for a revealing tour through the most incredible scientific mysteries of the world with your guide David Wilcock, the New York Times bestselling author of *Awakening in the Dream*. More than two million people have seen David Wilcock's incredible tour of the 2012 prophecies in his Internet documentary, *The 2012 Enigma*. Now, he expands his vision with a cutting-edge investigation into alternative sciences with deep insights into what is coming in our immediate future. A stunning synthesis of hidden science and lost prophecies, *The Source Field Investigations* exposes DNA transformation, wormholes, ancient conspiracies, the Maya calendar, and a new model of galactic energy fields triggering mental, biological, and spiritual evolution. Unlike the apocalyptic viewpoints depicted in big-budget disaster films, Wilcock believes that 2012 will be a watermark for widespread acceptance of a greater reality—and here, he lays out the blueprints for such a Golden Age.

Much thought-provoking evidence suggests that the way you look, think, react to life events, and interact with other people may be predisposed by the experiences of one or more human beings who lived in the past. Even if you don't know who they were, you may find what appears to be their "soulprints" in the person you are today and the manner in which you live. "The Soul Genome: Science and Reincarnation" explores these ideas, focusing on verifiable information that can be tested by objective means. The detailed, robust case studies presented here not only

suggest that reincarnation is more than just a metaphysical concept, but also indicate that it is a valid subject of scientific inquiry.

By the New York Times bestselling author of *The Bone Clocks* | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of puzzles, a keen eye for character, and a taste for mind-bending, philosophical and scientific speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. *Cloud Atlas* begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. . . . Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of an infirm maestro who has a beguiling wife and a nubile daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as mysterious as a Zen koan, *Cloud Atlas* is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon. Praise for *Cloud Atlas* "[David] Mitchell is, clearly, a genius. He writes as though at the helm of some perpetual dream machine, can evidently do anything, and his ambition is written in magma across this novel's every page."—The New York Times Book Review "One of those how-the-holy-hell-did-he-do-it? modern classics that no doubt is—and should be—read by any student of contemporary literature."—Dave Eggers "Wildly entertaining . . . a head rush, both action-packed and chillingly ruminative."—People "The novel as series of nested dolls or Chinese boxes, a puzzle-book, and yet—not just dazzling, amusing, or clever but heartbreaking and passionate, too. I've never read anything quite like it, and I'm grateful to have lived, for a while, in all its many worlds."—Michael Chabon "Cloud Atlas ought to make [Mitchell] famous on both sides of the Atlantic as a writer whose fearlessness is matched by his talent."—The Washington Post Book World "Thrilling . . . One of the biggest joys in *Cloud Atlas* is watching Mitchell sashay from genre to genre without a hitch in his dance step."—Boston Sunday Globe "Grand and elaborate . . . [Mitchell] creates a world and language at once foreign and strange, yet strikingly familiar and intimate."—Los Angeles Times

New York Times bestselling author David Wilcock's latest captivating work of nonfiction, exploring new hidden truths about extraterrestrials, dreams, sacred science, channeling your Higher Self, and Ascension What happens when a UFO researcher suddenly comes into telepathic contact with the very beings he has been so avidly studying, after years of increasingly provocative dreams? What happens when these telepathic "readings" begin predicting the future with astonishing precision—and speaking about an incredible upcoming event in which all life in our solar system will undergo a spontaneous transfiguration? David Wilcock is a master at weaving together cutting-edge alternative science, shocking insider information, and his own personal experiences to reveal stunning truths about humanity, positive and negative extraterrestrials, lost civilizations, and the universe we share. In *Awakening in the Dream*, David once again combines his extensive research, the Law of One series, new insider revelations, and his own connection with the divine to bring humanity closer to full disclosure than ever before—as well as to help us activate our full potential on the eve of Ascension. A New York Times bestselling author, TV personality, filmmaker, lecturer, and consciousness expert, David is the perfect person to guide us through the hidden realities of our world. With its myriad information, anecdotes, "big picture" comparative analysis with over six hundred references, and trustworthy messages channeled directly from the highest-level angelic sources, including a remarkable set of future prophecies built into the Great Pyramid itself, *Awakening in the Dream* promises to be his most astounding book yet.

'This thrilling space odyssey will keep you turning pages late into the night' C. J. Daugherty, author of *NIGHT SCHOOL* Six girls, six boys. Each in the two separate bays of a single spaceship. They have six minutes each week to seduce and to make their choices, under the unblinking eye of the on-board cameras. They are the contenders in the Genesis programme, the world's craziest speed-dating show ever, aimed at creating the first human colony on Mars. Leonor, an 18 year old orphan, is one of the chosen ones. She has signed up for glory. She has signed up for love. She has signed up for a one-way ticket. Even if the dream turns to a nightmare, it is too late for regrets.

Venice in 1749 - the city has lost its political and financial primacy but has become Europe's pleasure capital, famous for its gambling dens, its courtesans, its hectic carnival, its music, art and theatre - and the most highly organised secret service in Europe. Alvisè Marangon, born in Italy but brought up in London, returns to the city of his birth and quickly becomes involved in the protection of a visiting English lord and his beautiful sister. He is then forcibly recruited into the city's powerful secret service to investigate a murder case. A reluctant spy he may be, but he is a gifted one. Amidst the world of gambling dens and courtesans, something momentous is being planned for the Feast of the Ascension, Venice's most important and spectacular holiday, and it seems that only Alvisè can prevent the day from turning into bloody mayhem.

Apocryphal traditions, often shared by Jews and Christians, have played a significant role in the history of both religions. The 26 essays in this volume show how such traditions were elaborated in literatures, liturgies, figurative arts and mythology, in regions ranging from Ethiopia to Italy.

A lush evocative fantasy continuation to the stunning Ascension series that New York Times bestselling author Susan Dennard called "perfect for fans of Sarah J Maas." Cyrene Strohm is a Queen's Affiliate, a high-ranking official of the court of Byern, with power and privilege to spare. But she's also a keeper of dangerous secrets: like the fact that she holds the heart of the King, and that she possesses magic in a world where magic no longer exists. Determined to discover what this means and how to use her newfound abilities, Cyrene sets off for the distant land of Eleysia. An island nation where Affiliates are strictly forbidden from entering. But the journey is perilous, and the destination may mean utter ruin, as Cyrene comes to learn that everything she's been told her whole life - about her court, her homeland, and even herself--are bound in a beautiful lie.

As Catholics, the Mass is the center of our Faith. We celebrate it every day. We know all the responses. We know all the gestures. But do we know what it all means? In *A Biblical Walk Through the Mass*, Dr. Edward Sri takes us on a unique tour of the Liturgy. Based on the revised translation of the Mass, this book explores the biblical roots of the words and gestures we experience in the Liturgy and explains their profound significance. This intriguing look at the Mass is sure to renew your faith and deepen your devotion to the Eucharist. This book is used as the text for *A Biblical Walk Through the Mass Study Program*, but it may also be purchased separately at steep bulk discounts. For those not able to attend a study, this is a perfect resource for catechesis on the deep riches of the Mass.

The Truth has been hidden from us while a global policy of mass depopulation and exploitation has been carried out behind the scenes for the past half-century. The author, an independent journalist, became aware of this agenda only in the past few years. She found it hard to believe, but in-depth research and the testimony of whistleblowers worldwide have exposed these strategies. They include geoengineering (chemtrails), fluoridation of water supplies, GMOs, vaccinations, false flag terrorist attacks, and economic warfare by the group David Wilcock calls the Cabal. However, despite this grim reality, a positive shift of mass awakening is occurring worldwide. Tribunals are being established to prosecute elite offenders; revelations of hidden technology like free-energy and new economic models are being put forth. The author shows how humanity is claiming its rightful heritage as spiritual beings and charts the course of our elevation of consciousness. *MASS AWAKENING* gives us all real hope for an amazing future. *Mass Awakening* is Shoshi Herscu's well researched and yet profoundly personal handling of intensely shocking material, rarely covered in print. It is both a true inspiration and a much-needed breath of fresh air. —Ada Tourtsakis PrepareForChangeLeadership.org

Wynn Free explores the remarkable parallels between the work of David Wilcock and the legendary Edgar Cayce while he builds a convincing case that the two men shared the same source of prophetic information and that Wilcock might indeed be Cayce's reincarnation. Compiling some of Wilcock's most inspirational and life-transforming prophetic guidance from his channeled Source, this book conveys profound insights into topics such as earth changes, secret cabals, soul evolution, death and reincarnation, ascension, crop circles, and the theory of evolution. Explaining how energetic increases occurring in the Sun and planets can have scientifically-measurable, far-reaching effects in a number of realms, *The Reincarnation of Edgar Cayce* presents new evidence that this energy can transform DNA, potentially making ESP, telekinesis, levitation, and other paranormal activities as common as breathing and usher in the Golden Age promised by every major spiritual tradition in human history. Readers will come away with a deeper understanding not only of the life and work of both Wilcock and Cayce, but with a broader sense of the many forces—seen and unseen—at work in the universe today.

Can you see the story breathing? Imagine A mountain so great it takes a year to travel from base to summit A sun so powerful it drives you into madness if you look at it An ascent so vital it determines the fate of the world A summit so precious it holds the key to the divine The world of the great Mountain is unstable. Giant pillars erupt from the surface and yawning chasms form unpredictably underfoot. Since the Maelir first stood on its slopes in the distant past, they have sought to still its anger and control its power. Each year, twin brothers are chosen to make a perilous journey to the summit. If they survive they will be witness to Zenith, and the secrets will be revealed to them. When Atreu and Teyth embark on their Ascent, their Talismans lead them onto conflicting paths that will ultimately set brother against brother. And this time the Ascent itself is in peril as unknown forces that have long craved the power of Zenith will stop at nothing to make it their own ... even if it means destroying the very thing that sustains all life – the Mountain itself.

From the New York Times bestselling author of *Awakening in the Dream* comes a book that will take readers on a surprising and enthralling journey through the history of the universe, exploring the great cosmic battle surrounding our own ascension. David Wilcock's previous New York Times bestsellers, *The Source Field Investigations* and *The Synchronicity Key*, used cutting-edge alternative science to reveal oft-hidden truths about our universe. In *The Ascension Mysteries*, David takes us on a gripping personal journey that describes the secret cosmic battle between positive and negative happening every day, hidden in both the traumas of our own lives and the world's headlines. Through his contact with a positive higher intelligence behind the UFO phenomenon, groundbreaking scientific information, and data from high-ranking government whistleblowers, David reveals that the earth is now on the front lines of a battle that has been raging between positive and negative extraterrestrials for hundreds of thousands of years. *The Ascension Mysteries* explores the towering personal obstacles David overcame to unlock the great secrets of our universe and looks ahead to what this battle means for each of us personally. By unifying ancient texts from a variety of religions with scientific data and insider testimony, David presents a stunning conclusion—that Earth is on the verge of a massive cosmic event that will transform matter, energy, consciousness, and biological life as we now know it and will utterly defeat the great villains of our time.

Man is moving into a bright, new future with an updated Alternative Medicine, improved knowledge of Genetics, and an updated Spirituality to become what is called a Noetic being. Man is evolving again to a smarter, more capable human who is more compassionate and respectful of others and the planet. He is in the process of transforming himself and his civilization via the science of space travel, genetic correction of defects, a more enlightened view of God and the Afterlife, and healing himself with the physics of Energy Healing. This book examines the different aspects of transformation... See Back Cover for more about: Timelines, Nutrition that supports Transformation, the InterLife and the Heavenly Quantum Computer, Religion vs Spirituality and what a New World Religion could look like, Man's Transformation via Near Death Experiences and the Greys' Abductions -- how BOTH are a very positive experience and deliver a better world, ET-Human Hybrids (pix), Strange versions of hominids on Earth, past and present (pix), and 2 Chapters (11-12) on Energy healing -- the what and how based on recent discoveries in Physics: ZPE Field, thoughts and consciousness as torsion waves in the Matrix, the Heart's Torus, Dark Matter/Energy as AEther, Subquantum Kinetics, and an examination of Energy Healing modalities, including Matrix Reimprinting, FasterEFT, Qigong and Pranic healing techniques. All at the layman level. Also added is how the brain, DNA and higher consciousness are related; all exist within the Matrix (ZPE Field) and particular

care is needed to support the brain with special nutrition such that the mind can function well. Additionally, brain games and exercises are suggested to facilitate the quest for higher consciousness.

There are 144,000 souls in the Christ Vibration. They hold the electro-magnetic blueprint for our planet. The 144K are the spiritual elders and the spiritual leadership. This group must ascend (raise their consciousness) first and then take their chosen place in society. Through quantum entanglement and law of attraction, the rest of Earth's inhabitants will follow. Our destiny is Heaven on Earth; the operating system is Love.

NATIONAL BOOK AWARD FINALIST • One of the first undocumented immigrants to graduate from Harvard reveals the hidden lives of her fellow undocumented Americans in this deeply personal and groundbreaking portrait of a nation. “Karla’s book sheds light on people’s personal experiences and allows their stories to be told and their voices to be heard.”—Selena Gomez FINALIST FOR THE NBCC JOHN LEONARD AWARD • NAMED A BEST BOOK OF THE YEAR BY THE LOS ANGELES TIMES, THE NEW YORK TIMES BOOK REVIEW, NPR, THE NEW YORK PUBLIC LIBRARY, BOOK RIOT, LIBRARY JOURNAL, AND TIME Writer Karla Cornejo Villavicencio was on DACA when she decided to write about being undocumented for the first time using her own name. It was right after the election of 2016, the day she realized the story she’d tried to steer clear of was the only one she wanted to tell. So she wrote her immigration lawyer’s phone number on her hand in Sharpie and embarked on a trip across the country to tell the stories of her fellow undocumented immigrants—and to find the hidden key to her own. Looking beyond the flashpoints of the border or the activism of the DREAMers, Cornejo Villavicencio explores the lives of the undocumented—and the mysteries of her own life. She finds the singular, effervescent characters across the nation often reduced in the media to political pawns or nameless laborers. The stories she tells are not deferential or naively inspirational but show the love, magic, heartbreak, insanity, and vulgarity that infuse the day-to-day lives of her subjects. In New York, we meet the undocumented workers who were recruited into the federally funded Ground Zero cleanup after 9/11. In Miami, we enter the ubiquitous botanicas, which offer medicinal herbs and potions to those whose status blocks them from any other healthcare options. In Flint, Michigan, we learn of demands for state ID in order to receive life-saving clean water. In Connecticut, Cornejo Villavicencio, childless by choice, finds family in two teenage girls whose father is in sanctuary. And through it all we see the author grappling with the biggest questions of love, duty, family, and survival. In her incandescent, relentlessly probing voice, Karla Cornejo Villavicencio combines sensitive reporting and powerful personal narratives to bring to light remarkable stories of resilience, madness, and death. Through these stories we come to understand what it truly means to be a stray. An expendable. A hero. An American.

The mysterious civilizations of Lemuria and Atlantis become reality as Shirley Andrews, the author of Atlantis: Insights From a Lost Civilization combines details from scholars, scientists and the respected psychic Edgar Cayce. Her sober portrayal of disturbing parallels between the spiritual decay of Atlantis and our modern world, and her reasonable explanations for the vivid dreams and past life memories recounted by numerous people about life on the lost lands enhance this fascinating book.
