EMPLOYMENT: Sorry you are qualified and we really liked your interview, but after seeing your credit report we will be going a different route. AUTOMOBILE: Well

we did get you approved but unfortunately the down payment we talked about will be significantly more. Your

monthly payment will also be \$168 more a month. We understand that's not financially possible for you but if things change let us know. There is a bus stop about a

nice couple and it's great you are expecting your first child soon but unfortunately we can't get you the

mortgage we advertised everywhere. You might want to try those companies online that charge insane interest

rates and want a huge deposit as well as your first born child. Thanks for coming in and would you mind filling out

a survey online about how well we served you today? A good friend of mine is a divorce attorney. He knows what

I do so whenever we get together the subject always seems to go to credit. He told me he's shocked at how

much "spouse has bad credit" comes up during a divorce. He says it's always an issue woman have. We

have deducted that woman love to nest. They want security (I guess we didn't have to be rocket scientist to

figure that out). So anyway STOP RIGHT NOW AND SCROLL TO THE TOP OF THE PAGE AND BUY THIS

of a cup of Starbucks coffee. By the way Starbucks in no way endorses my book lol. Howard Schultz the chairman and CEO of Starbucks I'm sure doesn't have credit issues. So if you are still here you might need some more convincing I guess. Good for you... due diligence. My name is John D. Harris I could go on and on here about my experience working as a credit bureau manager but I won't bore you with all the details. THIS REALLY IS NOT ABOUT ME ANYWAYS. IT'S ABOUT YOU AND YOUR CREDIT. Even though your credit affects your whole life experience you probably know very little about real credit repair. Most of the books I have read online about credit repair are out of date or more often than not don't really have a clue what is going on. Let's face it all our lives are on a clock that is always ticking. Tick Tock Tick Tock. THIS IS NOT A PRACTICE RUN. This is your one life. Every day with bad credit is a day you are not experiencing your full life experience. Imagine knowing you have great credit. You know when you talk to the guy in the suit that you have great credit. You know you will be approved for anything. You can shop around for the best rates. You have the best property and pay less than the guy with the dumpy property. You drive the best car for less than the poor guy driving the seven-year-old vehicle. You might start flipping property. You might buy a business on credit. People respect you because you are the baller, you can get things done because you have access to CREDIT. You can take advantage of great deals because you have CREDIT. My bet is that you know more about cooking a turkey, changing your oil, what's on Netflix,

Having a low credit score can be very expensive and cause you to miss out on opportunities. In my case, I was trying to refinance my \$300,000 mortgage. My credit score was 620 because I had some negative items on my credit that I wasn't aware of, and extra debt on my credit cards that I could not afford to pay off. I was quoted an interest rate of 6.25% because of my low credit score. Instead of taking the loan, I repaired my credit by removing the incorrect items and paid down some of the debt on my credit cards. I waited a month, and my credit score jumped to 725. I reapplied for the loan and got a quote of 4.5%. If you have one mortgage, buy 3 cars over the 30 year period, and carry \$10,000 credit card debt over the 30 year period, you will spend an extra \$238,500 on additional interest, or another way to look at it, you will throw away \$238,500 to have the same things had you not maintained a healthy credit history and score. If you need to increase your credit score to move into a new apartment, house, buy a car, or get loans for business. This book has a complete game plan on how to get started and get the end results you're looking for. If you're in a bind and
