The Andromeda Strain meets The Stand in this startling and stunning thriller that brings to life a unique vision of the apocalypse and plays brilliantly with vampire mythology, revealing what becomes of human society when a top-secret government experiment spins wildly out of control. At an army research station in Colorado, an experiment is being conducted by the U.S. Government: twelve men are exposed to a virus meant to weaponize the human form by super-charging the immune system. But when the experiment goes terribly wrong, terror is unleashed. Amy, a young girl abandoned by her mother and set to be the thirteenth test subject, is rescued by Brad Wolgast, the FBI agent who has been tasked with handing her over, and together they escape to the mountains of Oregon. As civilization crumbles around them, Brad and Amy struggle to keep each other alive, clinging to hope and unable to comprehend the nightmare that approaches with great speed and no mercy. . .

overrun by vampiric Kurians under the command of the merciless Consul Solon. In a desperate gambit, Valentine leads a courageous group of soldiers on a mission to drive a spike into the gears of the Kurian Order. Valentine stakes life, honor, and the future of his home in a rebellion that sparks the greatest battle of his life.

With Pandora, Anne Rice began a magnificent new series of vampire novels. Now, in the second of her New Tales of the Vampires, she tells the mesmerizing story of Vittorio, a vampire in the Italian Age of Gold. Educated in the Florence of Cosimo de' Medici, trained in knighthood at his father's mountaintop castle, Vittorio inhabits a world of courtly splendor and country pleasures--a world suddenly threatened when his entire family is confronted by an unholy power. In the midst of this upheaval, Vittorio is seduced by the vampire Ursula, the most beautiful of his supernatural enemies. As he sets out in pursuit of vengeance, entering the nightmarish Court of the Ruby Grail, increasingly more enchanted (and confused) by his love for the mysterious Ursula, he finds himself facing demonic adversaries, war and political intrigue. Against a backdrop of the wonders--both sacred and profane--and the beauty and ferocity of Renaissance Italy, Anne Rice creates a passionate and tragic legend of doomed young love and lost innocence.

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most

“Will get Buffy fans up in their feels.” —Entertainment Weekly A New York Times and Publishers Weekly bestseller From bestselling author Kiersten White comes the first novel in a series set in the world of Buffy the Vampire Slayer that introduces a new Slayer as she grapples with the responsibility of managing her incredible powers that she’s just beginning to understand. Into every generation a Slayer is born... Nina and her twin sister, Artemis, are far from normal. It’s hard to be when you grow up at the Watcher’s Academy, which is a bit different from your average boarding school. Here teens are trained as guides for Slayers—girls gifted with supernatural strength to fight the forces of darkness. But while Nina’s mother is a prominent member of the Watcher’s Council, Nina has never embraced the violent Watcher lifestyle. Instead she follows her instincts to heal, carving out a place for herself as the school medic. Until the day Nina’s life changes forever. Thanks to Buffy, the famous (and infamous) Slayer that Nina’s father died protecting, Nina is not only the newest Chosen One—she’s the last Slayer, ever. Period. As Nina hones her skills with her Watcher-in-training, Leo, there’s plenty to keep her occupied: a monster fighting ring, a demon who eats happiness, a shadowy figure that keeps popping up in Nina’s dreams... But it’s not until

In the first book in an exciting new coming-of-age fantasy series from the author of the Age of Fire series, an impoverished girl enters into a military order of dragonriders, but her path won't be as easy or as straightforward as she expected. Fourteen-year-old Ileth grew up in an orphanage, and thanks to her stutter was never thought to be destined for much beyond kitchen work and cleaning. But she's dreamed of serving with the dragons ever since a childhood meeting with a glittering silver dragon and its female dragoner. For years she waits, and as soon as she is old enough to join, Ileth runs away to become a novice dragoner at the ancient human-dragon fortress of the Serpentine. While most of her fellow apprentices are from rich and influential families, Ileth must fight for her place in the world, even if it includes a duel with her boss at the fish-gutting table. She's then sent off to the dragon-dancers after a foolish kiss with a famously named boy and given charge of a sickly old dragon with a mysterious past. But she finds those trials were nothing when she has to take the place of a dead dragoner and care for his imprisoned dragon in enemy lands. . . .

A dark and riveting fantasy of three dragon siblings, from the author of The Vampire Earth novels The fourth in the Age of Fire series following Dragon Champion, Dragon Avenger, and Dragon Outcast... for their species' survival. After being separated by dwarf slave traders who found their nest, the three—AuRon, the rare scaleless gray; Wistala, the green female; and Copper, the embittered cripple—are reunited. But their reunion is not a happy one, since the three find themselves at odds over the coming human war. AuRon thinks dragons should have no part in the affairs of humans. Wistala believes dragons and man can peacefully co-exist. And Copper has designs of his own on the world. And the civilized humans who have turned to Copper for assistance against their savage enemies have just given him the perfect opportunity to fulfill his plans...

A new omnibus collecting the first three volumes of Vampire Hunter D! It is 12,090 A.D., thousands of years since the human race nearly destroyed itself in a nuclear war--a folly foreseen by those who waited to emerge out of the underground...not from shelters, but from crypts! The aristocratic vampire lords known as the Nobles inherited our world, and with dark science and immortal patience made real the things that mortals had merely dreamed, whether voyaging to the distant stars, or conjuring monsters to roam the Earth. Yet the grand civilization of the Nobles has grown decadent, and as the terrorized remnants of humanity at last found the strength to rebel, their undying lords have been pushed back to the Frontier--the violent borderlands where humans still remain the prey of vampires, who for all their knowledge and power have never lost their obsession with our living flesh, blood...and souls! In this bizarre and deadly far future the most dangerous thing of all is not a vampire, but the one who hunts them--the one who is half them--a dhampir, the unearthly beautiful wanderer known as D. The Vampire Hunter D Omnibus collects the first three novels in author Hideyuki Kikuchi's adventure horror series: Vampire Hunter D, Raiser of Gales, and Demon Deathchase.

Illustrated by Final Fantasy artist Yoshitaka Amano, this book is only the beginning of a legend! THE INSTANT NEW YORK TIMES, USA TODAY, AND WALL STREET JOURNAL BESTSELLER From New York Times bestselling author Jay Kristoff comes Empire of the Vampire, the first illustrated volume of an astonishing new dark fantasy saga. From holy cup comes holy light; The faithful hand sets world aright. And in the Seven Martyrs' sight, Mere man shall end this endless night. It has been twenty-seven long years since the last sunrise. For nearly three decades, vampires have waged war against humanity; building their eternal empire even as they tear down our own. Now, only a few tiny sparks of light endure in a sea of darkness. Gabriel de León is a silversaint: a member of a holy brotherhood dedicated to defending realm and church from the creatures of the night. But even the Silver Order could not stem the tide once daylight failed us, and now, only Gabriel remains. Imprisoned by the very monsters he vowed to destroy, the last silversaint is forced to tell his story. A story of legendary battles and forbidden love, of faith lost and friendships won, of the Wars of the Blood and the Forever King and the quest for humanity's last remaining hope: The Holy Grail. Major David Valentine and his fugitive battalion are the remnants of an expeditionary force shattered in its long retreat from disaster in the Appalachians. And Valentine is losing allies fast. Some of the clans in the region have declared themselves in favor of the vampiric Kurians, throwing Kentucky into civil war. But instead of retaking the region, the Kurian overlords have ordered the extermination of every human living there... It's been over a century since the humans lost the war for Earth. Cities have been reclaimed by nature, and the planet is quiet and empty by day. At night, feral vampires-more beast than man-roam the lands, hungry for blood. The few thousand surviving humans live on a massive

airship that circles the Earth, moving with the rotation of the planet so it's always in sunlight. Alexandria Goddard is a member of the elite Ground Mission Team, a group tasked with making dangerous runs to the planet's surface for the supplies needed to keep the ship airborne. But even as the team fights for their people's survival, dangerous forces are working against them. A growing movement aboard the airship believes it's time for humans to resettle the Earth, and they are willing to go to extreme measures to make their vision a reality. As the situation aboard the ship becomes more desperate, Alex and her team discover a terrifying secret about the vampires infesting the Earth. P.T. Hylton, author of Regulation 19 and the Zane Hallway series, and Jonathan Benecke, a bold new voice in science fiction, bring you a post-apocalyptic vision of a world where vampires rule, humanity is on the run, and safety is an illusion as fleeting as a shadow.

Anne Rice, creator of the Vampire Lestat, the Mayfair witches and the amazing worlds they inhabit, now gives us the first in a new series of novels linked together by the fledgling vampire David Talbot, who has set out to become a chronicler of his fellow Undead. The novel opens in present-day Paris in a crowded café, where David meets Pandora. She is two thousand years old, a Child of the Millennia, the first vampire ever made by the great Marius. David persuades her to tell the story of her life. Pandora begins, reluctantly at first and then with increasing passion, to recount her mesmerizing tale, which takes us through the ages, from Imperial Rome to eighteenth-century France to twentieth-century Paris and New Orleans. She carries us back to her mortal girlhood in the world of Caesar Augustus, a world chronicled by Ovid and Petronius. This is where Pandora meets and falls in love with the handsome, charismatic, lighthearted, still-mortal Marius. This is the Rome she is forced to flee in fear of assassination

by conspirators plotting to take over the city. And we follow her to the exotic port of Antioch, where she is destined to be reunited with Marius, now immortal and haunted by his vampire nature, who will bestow on her the Dark Gift as they set out on the fraught and fantastic adventure of their two turbulent centuries together. Look for Anne Rice's new book, *Prince Lestat and the Realms of Atlantis*, coming November 29, 2016.

Sixteen-year-old Lucy Szabo is Undead -- at least according to her own theories about vampirism. Lucy believes that the first vampires -- with their pale skin, long teeth, and uncontrollable thirst -- were dying diabetics. And she should know. She's a diabetic herself. When Lucy becomes involved with Draco -- a self-proclaimed "real" vampire she meets in the Transylvania Internet chat room -- her world begins crashing down around her. Caught up in late-night parties and Goth culture, she begins to lose control of her grades, relationships, and health. Lucy realizes she needs to make some important choices, and fast. But it may already be too late.

In this series set in the same world as the Jane Yellowrock novels, New York Times bestselling author Faith Hunter introduces Nell Ingram, who wields powers as old as the earth. When Nell Ingram met skinwalker Jane Yellowrock, she was almost alone in the world, exiled by both choice and fear from the cult she was raised in, defending herself with the magic she drew from her deep connection to the forest that surrounds her. Now, Jane has referred Nell to PsyLED, a Homeland Security agency policing paranormals, and agent Rick LaFleur has shown up at Nell's doorstep. His appearance forces her out of her isolated life into an investigation that leads to the vampire Blood Master of Nashville. Nell has a team—and a mission. COLIN WILSON is the author of more than 100 fiction and nonfiction books. The Outsider (1956), published at the age of 24, earned him worldwide critical acclaim. The Space Vampires, his first book, was translated into Spanish, Japanese, French, Dutch and Swedish and was later adapted for screen in the movie LIFEFORCE, directed by Tobe Hooper (SALEM'S LOT, POLTERGEIST, THE TEXAS CHAIN SAW MASSACRE). The movie failed however to capture the true spirit of the cult classic reprinted here by popular demand. Nestor and Nathan Kiklu are the twin sons of Harry Keogh, the Necroscope. United by blood, they also share some of their father's awesome powers--but what they do with those gifts cannot be more different! Nathan takes up the struggle against the metamorphic vampires, while Nestor, fascinated by the vampires' eerie evil, has become his twin's worst nightmare: a Wamphyri Lord! Harry Keogh's sons have become the bitterest of enemies, each determined to destroy the other. When next they meet, one will surely die! young woman found in an Arizona border town, presumed to be an illegal immigrant, disappears from the town morgue. To the young CDC investigator called in to consult with the local police, it's an impossibility that threatens her understanding of medicine. Then, more bodies, dead from an inexplicable disease that solidified their blood, are brought to the morgue, only to also vanish. Soon, the U.S. government--and eventually biomedical researchers, disgruntled lawmakers, and even an insurgent faction of the Catholic Church--must come to terms with what they're too late to stop: an epidemic of vampirism that will sweep first the United States, and then the world. With heightened strength and beauty and a steady diet of fresh blood, these changed people, or "Gloomings," rapidly rise to prominence in all aspects of modern society. Soon people are beginning to be "re-created," willingly accepting the risk of death if their bodies can't handle the transformation. As new communities of Gloomings arise, society is divided, and popular Gloomings sites come under threat from a secret terrorist organization. But when a charismatic and wealthy businessman, recently turned, runs for political office--well, all hell breaks loose. Told from the perspective of key players, including a cynical FBI agent, an audacious campaign manager, and a war veteran turned nurse turned secret operative, *A People's History of the Vampire Uprising* is an exhilarating, genre-bending debut that is as addictive as the power it describes. The allies of the night prepare for the final, deadly confrontation. Darren and Mr Crepsley will get more than they bargained for when they come face to face with the Vampaneze Lord. As the Reapers enslave human souls in an attempt to create a New Order, thriving on blood, terror, and fear, Lieutenant David Valentine, a member of an elite guerrilla force known as the Wolves, is determined to destroy the Reapers and reclaim Earth for all humankind. Original.

After three years of exile from humanity’s war against the Kurians, David Valentine returns to battle. The Lifeweavers, Earth’s allies in the conflict, have mostly vanished, but those that remain are held captive by an overlord known as the Seattle Kurian. To free them, Valentine must convince the legendary resistance fighter known as the Marshal to join his cause. But the Marshal is something of an overlord himself...

David Valentine is revered as a hero for his part in fighting to regain Earth's

freedom. When a former Quisling traitor is badly wounded, he asks Valentine to find his wife, who has vanished into the darkness of the Kurian Order. With the help of old friends and new allies, Valentine traces her to a mysterious, heavily guarded compound in Ohio. And what Valentine finds within will shake his sanity to its very core.

Alisa Perne is the last vampire. Beautiful and brilliant, she hunts alone, living among humans, living off humans. But someone is stalking her. Someone wants her dead. And Alisa has a choice to make - to keep a long held promise or protect the mortal she seems to be falling for.

The vampires have been vanquished! Harry Keogh and the armies of the dead have destroyed the evil that once plagued the world. Nathan and Nestor, secret twin sons of the Necroscope and a proud gypsy woman, were children when their father, his humanity poisoned by his fearsome struggles, sacrificed himself to save mankind. Yet there are vampires still, vampires crueller and stranger than any the Necroscope had faced. When these new, merciless killers swoop out of the sky, Nathan and Nestor are men--but they have few of Harry Keogh's miraculous powers. Torn from each other by battle, the sons of the Necroscope journey across the vampire world, exploring its mysteries, each seeking the powerful, terrible vampires, his missing brother...and the woman they both love!

Book 1 of the Blood of Eden trilogy by Julie Kagawa, New York Times bestselling author of The Iron Fey, begins a thrilling dark fantasy series where vampires rule, humans are prey...and one girl will become what she hates most to save all she loves. Allison Sekemoto survives in the Fringe, where the vampires who killed her mother rule and she and her crew of outcasts must hide from the monsters at night. All that drives Allie is her hatred of vampires, who keep humans as prey. Until the night Allie herself dies...a becomes one of the monsters. When she hears of a mythical place called Eden that might have a cure for the blood disease that killed off most of civilization, Allie decides to seek it out. Hiding among a band of humans, she begins a journey that will have unforeseen consequences...to herself, to the boy she's falling for who believes she's human, and to the future of the world. Now Allie must decide what—and who—is worth dying for...again. "A fresh and imaginative thrill ride." —Publishers Weekly, starred review Books in the Blood of Eden series: The Immortal Rules The Eternity Cure The Forever Song The race is on to claim the area between the Ohio River and Tennessee. Valentines Rising The Vampire Earth

the powerful, well-organized Kurian vampires the opportunity to fill the void. Major David Valentine knows a small group of fierce, freedom-loving allies who would be glad to settle the rich lands. But they're more than three hundred miles away, with hostile aliens and vicious human slavers standing between. But even if by some miracle they make it, the Kurian Order isn't about to easily yield the blood-soaked Kentucky soil...
